# EXPLORE EDMONTON

## WE ARE EDMONTON'S DESTINATION MANAGEMENT AND MARKETING ORGANIZATION (DMMO).

### WHO WE ARE

Our team has created a unique identity for Edmonton and developed a strong reputation in the eyes of people around the world who are looking for opportunity here. Through the relationships we create with our partners and stakeholders, we showcase our city's capabilities, strengthen our global connections, and create diverse opportunities for investment in local industries. And we have a lot of fun doing it!

Explore Edmonton energizes the lives of all Edmontonians. By bringing in major events, we generate tourism dollars that support local businesses, help businesses attract talent by increasing the vibrancy of the city, and create a more compelling argument for improving city infrastructure, which benefits everyone.

Our signature events—KDays, Farm Fair International, and the Canadian Finals Rodeo—bring the community together and are enjoyed by people of all ages, year after year.

We connect people who want to hold events at our award-winning venues, the Edmonton Convention Centre and Edmonton EXPO Centre. The size and versatility of our venues allows for world-class events, unlimited opportunity, and more profitability for our partners.
