Strength and Leadership like never before

**Our values will carry us
through change ... with
compassion**

CHAA is a strong and long-standing voice of Alberta's continuing care sector, representing the province's largest not-for-profit, values-based care organizations. Since 1943, our members have collaborated to become a unified voice for those in our care. With more than 38,000 spaces and 22,000 staff and physicians across Alberta, our members deliver the full spectrum of continuing care, assisted living, home care, palliative and end-of-life care, subsidized housing, and community supports.

Once again, our mission of service and our decades of longevity will come together as we meet with Alberta's continuing care leaders, policymakers, and industry innovators. CHAA's Called to Care Conference 2026 promises to be stronger than ever before.

Why Sponsor?

Non-profit care providers occupy a unique place in our health care system. As steadfast leaders and community builders, our strength is to coalesce as a single voice to lead change with vision and purpose.

This is your opportunity to connect with senior leaders, decision-makers, and policy influencers in a values-driven forum focused on innovation, leadership, and collaboration.

Gain Direct Access to Decision-Makers

Connect with executives, care providers, and policymakers shaping the future of continuing care.

Be Seen as a Champion of Values-Driven Care

Align your brand with values-driven organizations committed to quality, compassionate care, and meaningful community impact.

Elevate Your Brand and Thought Leadership

Position your organization at the center of sector-wide discussions through speaking opportunities, high-visibility branding, and customized sponsorship activations.

Engage in Meaningful Conversations

This conference isn't just about attendance numbers. It's about creating high-value connections and impact in an intimate, purpose-driven setting.

What our delegates and sponsors say

As we expect to welcome more than 175 attendees and 50+ presenters in 2026, we'll be looking to build upon the huge success of our 2025 event.

DELEGATE PERSPECTIVES:

"I had heard amazing things about your community, but experiencing it first-hand surpassed even those high expectations."

"Thank you for your hard work organizing a great conference. The communication, food, networking opportunities, and workshops were all excellent."

"Great topics made it hard to choose ... It was a wonderful event."

"This conference needs to be longer! Stretch it out over two days so we have more time with the speakers and delegates."

"I chose this conference due to CHAA's reputation as a leader and advocate for continuing care."

"Being part of a community of like-minded, mission-driven organizations is incredibly valuable."

"The conference was 12/10 – everything was so well done, it was very exceptional in all aspects."

"I was proud to attend and to engage in conversations that align with our shared values and advocacy goals."

"The future of our health care system looks brighter and more promising because of the positive attitude shared by speakers with influence."
