As published in The Journal of Social Psychiatry and Psychiatric Epidemiology

- ✘ We are a multi-sport organization, offering **10** summer and **8** winter sport programs.
- ✘ With over **68,000** individuals with an intellectual disability in Alberta, Special Olympics is the only organization providing both grassroots and competitive sport opportunities to this underserved population.
- ✘ We build skills from the ground up, **no prior experience required.**
- ✘ Our programs are **low-to-no cost**, which is important as people with ID experience poverty at 3 times the rate of those without a disability.
