

Leader Lab 360

**The tools, mindset + network you
need to lead with purpose.**

calcpa.org/about/leader-lab-360

Our Vision

Using a whole-person approach, Leader Lab 360 is a high-impact leadership experience that builds committed professionals and well-rounded, effective leaders.

Participants engage through a dynamic blend of in person intensives and virtual sessions designed for real world application. With four tailored tracks including Spark, Amplify, Impact, and Legacy, Leader Lab 360 supports professionals at every career stage, from student to advanced.

Our Mission

- Equip financial professionals with core leadership skills to grow their confidence, influence, and impact.
- Foster a vibrant peer network and support system that enhances belonging and provides tools for a meaningful CalCPA experience.
- Inspire future leaders with early engagement opportunities and pathways to sustained leadership growth and contribution.

Four distinct phases of the journey: Start right where you are

Spark

Ignite what's possible.

- **Career Phase:** Student
- **Emphasis:** Exploration, curiosity, and early identity formation.

What you'll gain:

- Identify core personal strengths, values, and emerging leadership traits.
- Grow network and develop foundational communication and networking skills.
- Gain clarity on the pathways of accounting and finance careers.

Amplify

Turn up your potential.

Career Phase: Early Professional (1-5 years)

Emphasis: Strengthen presence, confidence, and leadership identity through immersive practice.

What you'll gain:

- Build a personal leadership foundation by exploring mindset, communication, and influence.
- Gain confidence and increase comfort in professional settings.
- Integrate personal and professional strengths into a clear leadership identity.

Impact

Where leadership meets leverage.

- **Career Phase:** mid-career professionals (5-10 years).
- **Emphasis:** Strategic leadership, operational responsibility, and team development across functional areas.

What you'll gain:

- Enhance leadership presence and strategic decision-making.
- Improve team management and delegation capabilities.
- Understand and apply key organization metrics and leadership behaviors.

Legacy

Elevating executive leadership.

- **Career Phase:** Senior leaders and professionals preparing for partnership or already in advanced roles.
- **Emphasis:** Executive vision, succession planning, mentorship, and organizational growth.

What you'll gain:

- Develop and refine a strategic leadership mindset.
- Enhance business development capabilities.
- Strengthen executive communication and influence skills.

3-Day Leadership Intensive

with Jon Lokhorst

16 CPE

Accelerate your leadership growth in this in-person intensive designed for early-career CPAs and future finance leaders. Build self-awareness, strengthen essential leadership skills, practice coaching, and leave with a personalized development plan—and a clear path to your next leadership step.

- **Self-Awareness**
- **Communication**
- **Coaching**

Management Intensives

Virtual Sessions with Jon Lokhorst

4 CPE

Advance your leadership impact in this four-session program designed for mid-career professionals preparing for higher-level roles. Strengthen your strategic thinking, elevate your business development skills, learn to build high-performance teams, and develop your people—multiplying your value and positioning yourself for promotion.

- **Strategic Thinking**
- **Business Development**
- **Team Leadership**

Awkward to Awesome

with Colleen Murray
3 CPE

Want to go from nervous to confident? This hands-on workshop helps you sharpen your communication skills, speak with presence, and navigate real-world workplace conversations with ease—all with supportive practice and personalized feedback.

- **Confidence**
- **Presence**
- **Connection**

Advanced Leadership Intensive

More details coming soon

- Emphasis: Executive vision, succession planning, mentorship, and organizational growth.
- Tailored for senior financial leaders and professionals preparing for partnership or already in advanced roles, with a focus on driving firm-wide strategy and mentoring the next generation.

Catalyst Sessions

Monthly via Zoom
9 CPE

This dynamic, monthly virtual series keeps your growth momentum going with high-impact, 90-minute sessions led by experts at the forefront of their fields. Held on a regular monthly cadence, these sessions give current program participants an energizing space to deepen their leadership toolkit, explore timely challenges, and expand their 360-degree perspective.

Each session dives into a trending, highly relevant topic—equipping you with practical insights you can apply right away. With diverse voices, interactive formats, and real-world expertise, this series keeps your learning fresh, engaging, and directly aligned with your career goals.
