

NORDIC VOID FORM

**NORSEMAN'S ENGINEERED
STRUCTURAL LOAD-BEARING
NORDIC VOID FORM PROVIDES
YOU WITH OUTSTANDING
FOUNDATION PROTECTION
THAT HOLDS UP THROUGH ALL
SEASONS AND TEMPERATURES.**

Made with highly durable closed-cell polyethylene foam, **Nordic Void Form** outlasts and outworks traditional void materials because it is designed not to biodegrade or collapse under the weight of the foundation.

Designed in three densities for easy use, **Nordic Void** does not require top decking, including plywood or protected covers, during installation, saving you valuable material and labor costs. Its insulative properties prevent thermal transfer.

In stock, ready to ship from one of our distribution locations.

Norseman's Nordic Void Form is *GEAR2PERFORM*.

NORSEMAN, YOUR ONE-STOP-SUPPLIER OF *GEAR2PERFORM*.

NORDIC VOID FORM

GEAR POINTS:

Outwork. Outperform. Overachieve.

Protects foundations from frost heave and soil swell.

Made with highly resilient closed-cell polyethylene foam. Recovers most of its thickness, preventing void space from filling with debris.

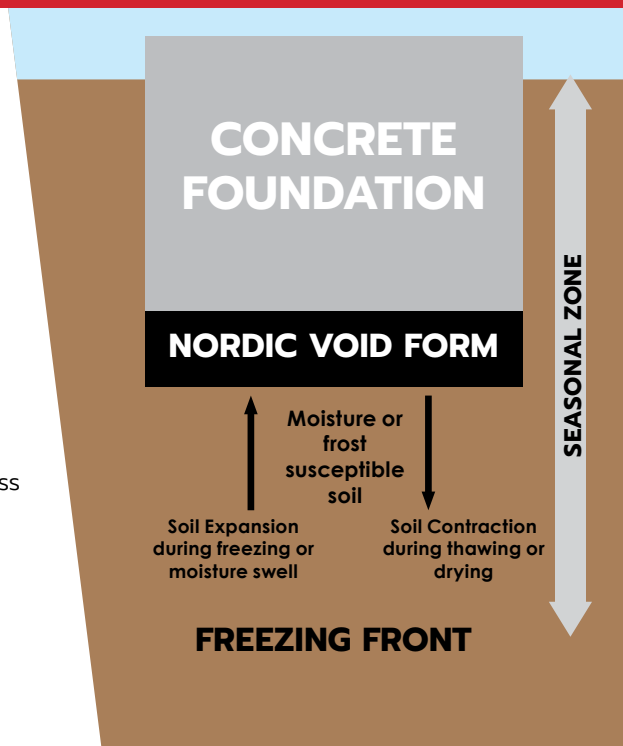

Moisture, insect, vermin, mould and hydrocarbon resistant.

Planks can be bonded together to create Void Form of any thickness and shape.

Void Form is easy to install and performs consistently over a wide range of temperatures.
