

# INDUSTRIAL DIVIDER CURTAINS

## CREATE UNIQUE AND FLEXIBLE WORK AREAS.

Count on Norseman's Industrial Divider Curtains to protect your crews from the elements while ensuring they can continue their vital work.

**Norseman's Industrial Divider Curtains** help you create a workspace for your needs. Protect and divide areas to contain or isolate equipment or products. Whether you need to create separate areas for your crews to maximize space or keep dust and debris contained to one part of your site, industrial curtains will do the job. Our Fabric Experts use the best material for each job to give you a custom curtain that works for you.

In stock, ready to ship from one of our eight distribution locations.

Norseman's Divider Curtains are **GEAR2PERFORM**.

## WITHSTAND

*Custom built to fit your exact specifications for any space.*

## FIT

*These budget-friendly options can be quickly installed and removed, and can be modified to meet your protection needs.*

## PERFORM

## FEATURES

- Industrial curtains are custom designed to your exact specifications. Choose your preferred color, width, height, vision panel and curtain-wall material.
- Our team will develop a custom concept for any space through our in-house design and manufacturing capabilities.
- Custom industrial curtains are ideal for dividing manufacturing space; controlling temperature; containing smoke, humidity and dust; and controlling welding spark, paint or wash overspray.
- Industrial curtains are less expensive than permanent walls and can be quickly installed and removed.
- Keep your workers safe, and reduce heating and cooling bills.
