

ROLL STOCK

**SOMETIMES YOU NEED
JOBSITE PROTECTIVE
GEAR THAT CAN DO IT
ALL **WITHOUT COSTING
YOU A FORTUNE.****

Containment. Protection. Security.

Norseman's Roll Stock, made with fire retardant (FR) reinforced polyethylene, is a workhorse that covers many vital applications.

- Ideally suited for hoarding and scaffolding, general weather protection, construction enclosures and industrial sheeting.
- Combines extreme strength and flexibility to provide a lightweight, budget-friendly solution to your needs.
- Developed to work as hard as your crews do, while ensuring your jobsite is protected from the elements.
- Woven polyethylene offers exceptional durability, no matter what applications you use the Roll Stock for.

In stock, ready to ship from one of our distribution locations.

Norseman's Roll stock is **GEAR2PERFORM.**
