FIT

Frame collapses for easy transportation and storage. Fully assembled tent can be transported by crane.

PERFORM

FEATURES

- Ultralight and economical design.
- Fabricated with 6 oz. flame-resistant (FR) fabric. Passes FR testing to CPAI-84 Section 6 standards.
- Tent frames are constructed from round 1" galvanized tubing, which is lightweight and rust resistant.
- Reinforced orange strip on doors and corners for high-visibility safety identification.
- Walls on the ends open up for ventilation of hazardous welding fumes.
- Compact enough to fit into the back of a pickup truck, a van or even a car.
- Quick and easy setup; one-person assembly.
- Sizes: 7' x 8' (68 lbs.) and 10' x 10' (82 lbs.) with 6' high walls.
- Custom branding options available. Minimum quantities apply.
