

# We are Planet Mark Certified

Year 1.

# blink<sup>®</sup>

This is to certify that Blink Charging  
has achieved the Planet Mark by  
reporting its carbon footprint and  
engaging its stakeholders.

#### Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
