

Connected Spaces Customer Warranty

Subject to proof of purchase, DIY Resolutions Pty Ltd for Australian consumers and DIY NZ Pty Ltd, for New Zealand consumers, ("DIY") provides the following limited warranties in relation to Connected Spaces products purchased and used in Australia and New Zealand only on the following terms and conditions:

Standard 10 Year Warranty

DIY warrants that it will, at its option, repair or replace any cabinet, hinge and drawer runner, handle, door, and panel, metal shelving, wire basket and insert, waste bin, timber benchtop or laminate benchtop that suffer a failure due to a defect in the materials or manufacturing process within ten (10) years from the date of purchase. Under this warranty, a cabinet is defined as the main framework remaining after all coverings, doors, panels, frames for these panels, benchtops and (non-structural) shelves are removed.

For the warranty to apply

This warranty applies only to Connected Spaces products used for normal, domestic and household purposes only.

You may obtain the benefit of this warranty on the following conditions:

1. The Connected Spaces product was purchased from an authorised Connected Spaces retailer and was paid for in full;

3. The Connected Spaces product was installed and is used in accordance with all supplied product information and instructions; and
4. DIY is notified within thirty (30) days of the alleged problem occurring.

DIY aims to rectify genuine warranty claims as a matter of priority. This is generally achieved by inspecting the product and determining the basis for the claim and by introducing immediate corrective action measures to prevent re-occurring problems. It is therefore essential that all warranty claims are promptly submitted to DIY within the thirty (30) day period of the alleged problem occurring as stated above. This warranty represents the only warranty given by DIY and no other person or organisation is authorised to offer any alternative.

How to claim

To make a claim under this warranty, you must provide a copy of your original proof of purchase and proof of installation to enable us to determine whether your Connected Spaces product falls within the warranty and the relevant warranty periods. This will also help us determine whether the claim made is genuine and is not based on any breach of warranty or any violations of the law, such as those involving lost, stolen, counterfeit or second-hand goods.

The acceptable proof of purchase can be a tax invoice or receipt that clearly itemises the product and shows the date and place of purchase and, if applicable, information pertaining to the installation of your Connected Spaces product. As a strict condition, where there is no acceptable form of proof of purchase, DIY undertakes no responsibility to repair the product under warranty.

You will need to contact DIY during the applicable warranty period on the contact details provided below. To enable DIY to correctly identify and rectify the problem, please be ready to provide accurate details of your Connected Spaces product and finish, date of purchase, date of installation, purchase details and a full description of the problem. Our customer service representatives will let you know what other information is required for processing your claim. Importantly, you will need to arrange with DIY inspection of your product as part of our assessment of your claim.

Other rights

Our goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled:

to cancel your service contract with us; and

to a refund for the unused portion, or to compensation for its reduced value.

You are also entitled to choose a refund or replacement for major failures with goods. If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion. You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service'. For New Zealand purchasers, nothing in these terms of warranty is intended to limit the rights you may have under the Consumer Guarantees legislation. This legislation does not apply if the product is acquired by the end consumer for the purpose of a "business" as defined in the legislation.
