

Group & Meetings Travel

BermudAir Group & Meetings travel is designed to take the stress out of organizing both leisure and corporate group travel, offering a streamlined and convenient way to book flights between the United States, Canada, and Bermuda as well as Anguilla. Whether you're planning a corporate retreat, a destination wedding, attending a sports team event or a multi-generational family getaway, BermudAir Group & Meetings Travel ensures a smooth experience from start to finish.

Enjoy dedicated support, simplified reservations, the best possible guaranteed fares and thoughtful value-add services – including complimentary advanced standard seat selection, one checked bag and added flexibility and care designed specifically for groups. With BermudAir, every member of your party experiences a warm Bermuda welcome long before reaching the island's shores.

Requirements

Group bookings require a minimum of **9 passengers** travelling together on the same flight, date, and destination. Your group's fare is locked in at a guaranteed fare, giving you peace of mind and making budgeting simple.
