**It's easy. It's confidential.
It takes less than 5 minutes.**

We give our health, our pets, and even our cars regular check-ups. The Massachusetts Gambling Health Screener is a confidential screener that does the same for your gambling health. In just a few questions, you can find out if you're at risk of a gambling problem, and be connected to helpful information and services. Because if something's a little off, it's best to catch it before it becomes a bigger problem.
