

GRASP
— NEVADA —

The Gambling Resources and Support Program

The **Center for Behavioral Health** is excited to welcome GRASP as part of our commitment to supporting you.

WHY GRASP?

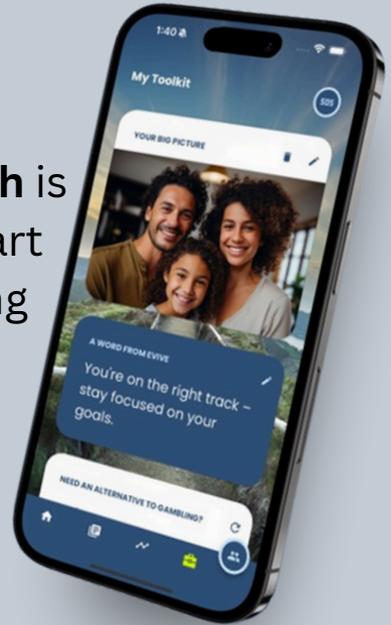

GRASP is here to support you. The program was created to help reduce the negative impact that gambling can have on substance use recovery.

IT'S ENTIRELY FREE, AND IT'S FOR EVERYONE; whether you gamble now, might in the future, or never at all.

MAKE A DIFFERENCE

Your participation will make a difference, not just for you, but for others who follow.
