HOW TO CREATE A SNOWMAN SNOW GLOBE

Create an adorable snowman snow globe by using foam balls, a glass jar, and a few simple craft materials!

WHAT YOU CAN USE

- Glue
- Small foam balls
- Ribbon
- Small sticks
- Fake snow
- Glitter
- Orange felt
- Small black beads
- Small green beads
- Glass jar with lid
- Pure Life® 8oz. bottles

HOW WE SET IT UP

- 01** Form a snowman with three foam balls, gluing them stacked together
- 02** Decorating the snowman—glue small black beads for eyes and mouth, cut/glue a small felt nose, glue green beads for buttons, and a ribbon scarf
- 03** Glue the snowman to the bottom of the jar, add small sticks for arms and allow to dry
- 04** Add artificial snow to your liking
- 05** Sprinkle a touch of glitter to finish it off then seal the jar
- 06** Keep everyone hydrated with 8 oz. Pure Life® bottles as they craft!
