HOW TO CRAFT YOUR OWN TURKEY PLATE

Create a fun and festive turkey craft by decorating a paper plate with colorful feathers, a cute beak, and googly eyes!

WHAT YOU CAN USE

- Paper plate
- Felt
- Googly eyes
- Feathers
- Markers
- Construction paper
- Pure Life® 8oz. bottles

WHAT YOU'LL DO

- 01** Glue feathers around the top half edge of the plate
- 02** For the turkey's body-cut out two circles from construction paper or paint them on the plate
- 03** For the face-cut and add a paper triangle beak, red wattle, and googly eyes to the center.
- 04** For the feet-draw at the bottom of the plate or cut from construction paper (or felt) and glue them on.
- 05** Keep everyone hydrated as they craft with a Pure Life® 8 oz. water bottle
