To Our Loyal Customers,

This letter is to inform you that Tulpehocken Mountain Spring Water has been acquired by Primo Brands™. Primo Brands owns Deer Park® and Poland Springs® and will be your new bottled water service provider.

Serving you over the past 100 years has been our privilege and honor. However, with the changing needs and demands of the industry, as well as our expanding growth, we feel the acquisition by Primo Brands is beneficial for both ourselves as well as our customers.

Customer satisfaction, service, and quality have always been our priority. We feel that same commitment is of equal importance to Primo Brands. They are avid in preserving the close relationship we have formed with our customers.

We are confident of a smooth transition with no interruption of excellent service.

Thank you for your business and your loyalty through the years. We look forward to your continued patronage with Primo Brands for many years to come.

Sincerely,

*Joseph Malloy*
