**ODP Business Solutions, LLC Clarifications/Exceptions to CoreTrust
Little Rock Reclamation Authority
For
Bid # 024COR-055 – Janitorial Supplies and Equipment**

ODP Business Solutions, LLC (“ODP”) believes that the clarifications/exceptions below present a very minor departure from Bid #024COR-055 (“Bid”) and are not cause for ODP’s Bid response to be found non-responsive. If for any reason you find any of the below to be a material departure from the Bid documents, we are happy to enter into good faith negotiations with you to endeavor to find a reasonable solution to satisfy the requirement(s).

NOTE: All page references pertain to the page the exception item resided on in the original solicitation document as published.

Best Value Solicitation document

<u>Page</u>	<u>Clarification/Exception</u>
6	<u>Section B – Lead Agency Requirements</u> <u>3. Payment and Invoice Provisions (Applicable to LRWRA Only)</u> <u>Subsection B</u> Invoices are due thirty (30) days from the date of invoice. ODP shall establish Customer's credit limit, which may be lowered (or ODP may refuse to ship any orders) if at any time: (a) Customer is delinquent in making payments to ODP; (b) Customer is in breach of any resulting contract; or (c) Customer’s credit standing becomes impaired or reasonably unsatisfactory to ODP. ODP may accept payment by credit card at the point of sale or time of order placement. Invoices may not be paid by credit card. ODP strikes the following: “Note: Participating agencies will provide their own invoice and payment instructions, which the Vendor must follow when fulfilling orders under their individual contracts.” ODP cannot agree to follow invoice and payment instructions before it has had the opportunity to review the requirements set forth in the invoice and instructions so it can assess ODP’s ability to comply.
7	<u>Section B – Lead Agency Requirements</u> <u>5. Price Structure</u> <u>Subsection A</u> ODP strikes subsection A in its entirety and inserts the following: “In the event of any extraordinary changes in the market, including but not limited to tariffs and costs impacted by raw materials or supply and demand, ODP will have the right to adjust pricing immediately upon providing written notice to reflect such price increases.”
7	<u>Section B – Lead Agency Requirements</u> <u>5. Price Structure</u> <u>Subsection B</u>

	ODP strikes subsection B in its entirety. These standards are inherently subjective and undefined. ODP would bear all of the operational and financial risk of Customer's unilateral reassessment of the agreement, even where the ODP has fully performed and complied with the agreed pricing.
10	<u>Section B – Lead Agency Requirements</u> <u>8. Force Majeure</u> <u>Subsection H</u> ODP strikes this section in its entirety and inserts the following: "In the event of any extraordinary changes in the market, defined as circumstances outside the control of the Supplier that affect pricing or availability of supply, including but not limited to tariffs and costs impacted by raw materials or supply and demand, ODP will have the right to adjust pricing immediately upon providing written notice to reflect such price increases."
12	<u>Section B – Lead Agency Requirements</u> <u>16. Record Retention</u> <u>Subsection B</u> ODP strikes subsection B in its entirety. ODP inserts the following: "Subject to confidentiality agreements between ODP and third parties, and no more than annually, Customer, at its expense, may audit ODP's non-confidential books and records to determine whether ODP extended the correct pricing. Any third-party auditor used must be approved by ODP and must execute a non-disclosure agreement."
13	<u>LRWRA Standard Terms and Conditions</u> <u>4. Prices:</u> <u>Subsection B</u> ODP strikes the following: "Prices shall be firm and not subject to escalation unless otherwise specified in the solicitation."
15	<u>LRWRA Standard Terms and Conditions</u> <u>21. Invoicing</u> Invoices are due thirty (30) days from the date of invoice. ODP shall establish Customer's credit limit, which may be lowered (or ODP may refuse to ship any orders) if at any time: (a) Customer is delinquent in making payments to ODP; (b) Customer is in breach of any resulting contract; or (c) Customer's credit standing becomes impaired or reasonably unsatisfactory to ODP. ODP may accept payment by credit card at the point of sale or time of order placement. Invoices may not be paid by credit card.

54	<u>Appendix B – Best Value Solicitation</u> <u>Section F – Background & Scope</u> <u>15. Pricing Structure</u> <u>15.1 General Pricing Requirements</u> ODP strike the following: “All pricing shall represent the proposer’s most competitive pricing offered to public-sector cooperative customers of similar size, scope, and geographic diversity.” All references to best or most favored pricing guarantees shall be deleted.
54 & 55	<u>15. Pricing Structure</u> <u>15.2 Market Basket Pricing</u> <u>15.5 Price Firmness and Adjustments</u> ODP strikes Sections 15.2 and 15.5 in their entirety. CORE LIST. ODP will supply the products and services as attached hereto at the prices as set forth herein (the “Core List”). Core List pricing will be updated on a quarterly basis and thereafter will be updated no more than one time per calendar quarter. ODP will meet on an annual basis (or as otherwise necessary) to review the items on the Core List. Items on the Core List may be updated from time to time (to address additions, deletions, substitutions, and alternate products) in ODP’s discretion, upon written notification by ODP (including via e-mail). NON-CORE LIST. Items not on the Core List (“Non-Core Items”), but which are identified in the primary catalog (which may be either printed or virtual) for “contract” customers that is in circulation at the time of the order (“ODP Catalog”), will be priced at a discount off of the regular sales price (promotions excluded) set forth on www.odpbusiness.com at the time of the order or off of manufacturer’s list, exclusive of bulk pricing discounts or other specials. The discount shall be as attached hereto at the discounts rates as set forth herein. Notwithstanding anything herein to the contrary, the price offering set forth in the first sentence of this subsection may not apply to (i) products in the following categories (as such categories are identified on www.odpbusiness.com): Custom Printing, Copy and Print Services, Promotional Products, Gift Cards, and Warranties; and (ii) clearance items, and/or promotional items, including, but not limited to, Instant Savings, Coupon Savings, Mail-In Savings, and Bundled Savings (collectively, “Excluded Categories”). Non-Core Items that are not identified in the ODP Catalog but which are available on www.odpbusiness.com at the time of order (“ODP Web Assortment”) shall be priced at web match as set forth on www.odpbusiness.com at the time of order. Notwithstanding anything herein to the contrary, in the event of any extraordinary changes in the market including but not limited to tariffs and costs impacted by raw

	materials or supply and demand, ODP will have the right to adjust pricing immediately upon providing written notice to reflect such price increases.
54	<u>15. Pricing Structure</u> <u>15.4 Manufacturer's Published List Price</u> ODP strikes the following sentence: "Upon request, the contractor shall provide copies of applicable manufacturer price lists and written confirmation of list price changes."
56	<u>15. Pricing Structure</u> <u>15.7 Freight, Minimums, and Ancillary Charges</u> ODP shall institute a Sixty-five Dollar (\$65.00) minimum order value per delivered order. Orders that do not comply with such minimum order value will be processed subject to a special handling fee of Nine Dollars and Ninety-Five Cents (\$9.95). Additional freight charges may apply for items exceeding certain attributes regarding weight and/or dimensions, bulk items, Hawaii, Alaska and Puerto Rico orders, special orders and/or rush deliveries.
56	<u>15. Pricing Structure</u> <u>15.8 Audit Rights</u> ODP strikes this section in its entirety. ODP inserts the following: "Subject to confidentiality agreements between ODP and third parties, and no more than annually, Customer, at its expense, may audit ODP's books and records to determine whether ODP extended the correct pricing. Any third-party auditor used must be approved by ODP and must execute a non-disclosure agreement."
67	<u>D. Fingerprint & Criminal Background Checks</u> ODP will not have "direct" contact with students, and therefore, this section is not applicable. To the extent that this section is applicable, ODP does not share its employees' personal identifiable information. However, upon receipt of award, ODP will run background checks as required by any State Department and will provide to the College attestations certifying that the background checks have been run on the employees who will be performing the work and that such persons have not been convicted of a violent or serious felony.
72	<u>4. Evaluation Process and Criteria</u> <u>H. Pricing Information</u> <u>2. Value</u> ODP strikes Section 4.H.2. All references to best or most favored pricing guarantees shall be deleted.
72	<u>4. Evaluation Process and Criteria</u>

	<u>H. Pricing Information</u> <u>3. Maximum Price.</u> ODP strikes Section 4.H.3. All references to best or most favored pricing guarantees shall be deleted.

Core List pricing will be updated on a quarterly basis and thereafter will be updated no more than one time per calendar quarter. ODP will meet with City on an annual basis (or as otherwise necessary) to review the items on the Core List. 86	<u>7. Supplier shall submit to CoreTrust within ten (10) calendar days after the Effective Date, upon request from any Program Participants and prior to furnishing Products & Services, valid certificates evidencing the effectiveness of the foregoing insurance policies."</i>

<u>Page</u>	<u>Clarification/Exception</u>
93	<u>1. Party Obligations</u> <u>c. Supplier</u> <u>ii. 94	<u>2. Term; Termination</u> <u>a. Term</u> ODP strikes Section 2.a. in its entirety. The Term of the Administrative Agreement shall be coterminous with the Master Agreement and any renewals thereof.
94	<u>2. Term; Termination</u> <u>b. Termination</u> ODP clarifies: The initial term and renewals of the resulting contract shall be mutually agreed upon. This section is reserved for use by Participating Agencies to include any state- or agency-specific requirements necessary for their compliance. Any such requirements apply only to that Participating Agency and where these terms conflict with other terms in this document, these terms supersede the general contract requirements solely for that Participating Agency's use of the Contract. SECTION B – LEAD AGENCY REQUIREMENTS

1. GENERAL INFORMATION

Little Rock Water Reclamation Authority (“LRWRA”) is committed to providing excellent quality sewer services for both residential and business customers as it keeps water resources safe for wildlife and human reuse. LRWRA has three (3) water reclamation facilities: Fourche Creek, Adams Field, and Little Maumelle. LRWRA also has an administration building, maintenance complex and 34 pump stations within the City of Little Rock. Currently, LRWRA has approximately 220 employees.

2. VENDOR'S EMPLOYEES AND SUBCONTRACTORS

A. If any portion of the work will be subcontracted, the Vendor must provide the following information to LRWRA prior to the contract award and again before each renewal period. LRWRA does not require subcontractor information for participating agencies and does not need to be informed of subcontractors used for their individual orders. However, this information should be provided directly to participating agencies, as appropriate, in relation to their own orders.

- name of all subcontractors
- subcontractor's address
- subcontractor's contract information
- complete description of work to be subcontracted

B. Vendor must obtain the using agency's approval of subcontractor(s) prior to subcontractor performing work under this contract.

C. LRWRA shall have the right to require the Vendor to remove an employee or subcontractor from performing work under this contract, if in LRWRA's reasonable opinion such employee or subcontractor.

- is not performing work satisfactorily
- is failing to cooperate as required in this contract
- is posing a security risk to the project or LRWRA
- is otherwise breaching a term of this contract
- their presence on the project is not in the best interest of LRWRA
- or any other reasonable basis

Note: Participating agencies shall have the same right. However, neither the participating agency nor the vendor is required to coordinate with LRWRA.

D. In the event of such removal, Vendor must replace employee or subcontractor with a suitable replacement subject to the approval of the using agency as instructed by LRWRA.

3. PAYMENT AND INVOICE PROVISIONS (Applicable to LRWRA Only)

- A. All invoices **shall** be forwarded to:

Little Rock Water Reclamation Authority
ATTN: Accounts Payable
11 Clearwater Drive
Little Rock, AR 72204

Or emailed to: accounts.payable@lrwra.com

- B. Payment will be made in accordance with applicable LRWRA accounting procedures upon acceptance of goods and/or services by LRWRA.
- C. LRWRA shall not be invoiced in advance of delivery and acceptance of any goods or services.
- D. Payment will be made only after the vendor has successfully satisfied LRWRA as to the reliability and effectiveness of the deliverables purchased as a whole.
- E. The vendor should invoice LRWRA by an itemized list of charges. LRWRA's bid number should be referenced on each invoice.
- F. Other sections of this solicitation may contain additional requirements for invoicing.

Note: Participating agencies will provide their own invoice and payment instructions, which the Vendor must follow when fulfilling orders under their individual contracts.

4. DEFINITION OF REQUIREMENT

The words “must” and “shall” signify a requirement of this contract and that vendor’s agreement to and compliance with that item is mandatory.

5. PRICE STRUCTURE

- A. If, during the contract term, the vendor is unable or unwilling to meet contractual requirements in whole or in part based on the price structure of the contract, it shall immediately notify the LRWRA Procurement Department in writing. The notification shall specify the contractual requirements which cannot be met and the offending price. Such notification shall not relieve the vendor of its responsibilities under the contract. LRWRA may, but is not required to, consider an equitable adjustment in the contract terms and/or pricing.
- B. If LRWRA, in its sole discretion, determines during the contract term that (i) the contract price structure is unworkable, detrimental, or injurious to the utility, or (ii) the contract price structure results in prices which are unreasonable, excessive, or not truly reflective of current market conditions, and no adjustment in the contract terms and/or pricing is mutually agreeable, LRWRA may terminate the contract upon not less than five days’ written notice to the vendor. The effective date of termination shall be as specified in the written notification.

6. PRICE REVIEW

- A. Periodically throughout the term of the contract, LRWRA **shall** have the right to conduct market research, review pricing indexes, and use other resources to review and verify contract pricing, vendor requested increases, and vendor provided information.

- B. If a price increase is requested by the vendor, LRWRA will consider the request, provided the vendor can supply ample justification and market-based evidence to support the requested price increase. LRWRA **shall** have the right to require additional documentation and evidence from the vendor pertaining to the requested increase, and the vendor must comply with any LRWRA request.
- C. Increases solely to increase profit or margins shall not be considered.
- D. LRWRA, at its sole discretion, shall have the right to approve or deny the request based on LRWRA's verification and shall have the right to negotiate with vendor on the requested increase. Vendor may include in their documentation evidence of price impacts on any component of contract delivery including but not limited to materials, transportation, labor, unforeseen statutory or regulatory mandates, or other impacts. Inclusion by the vendor DOES NOT guarantee an approved price adjustment. Approval in part or in total will be at LRWRA's sole discretion.
- E. In the event a price change is authorized by LRWRA, said prices must remain firm for a period of not less than six (6) months.
- F. In the event of a price decrease, LRWRA shall be guaranteed full benefit of the price reduction for all orders on the effective date of the decrease and thereafter.

7. OTHER CONTRACT REQUIREMENTS

- A. In addition to pricing, extreme market conditions may adversely impact other aspects of contract performance. LRWRA will consider vendor documentation relating to delivery times and schedules, labor shortages, substitute products that meet the "equal to or better standard," and other non-price related terms and conditions.
- B. ANY REQUEST for non-price contractual accommodations will be subject to the same rigor as outlined in the Price Review section. The vendor shall have an affirmative and proactive responsibility to address this issue in advance of the performance issue or immediately upon discovery. Any vendor who does not raise and document these issues consistent with the requirements above AND receive written LRWRA approval for any changes to contract performance expectations, **shall** be held accountable to the original terms of the contract. Approval of these contract terms **shall** be at the sole discretion of LRWRA.

8. FORCE MAJEURE

- A. A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled and is not due to the negligence or willful misconduct of the affected party.
- B. Unless otherwise agreed in the contract between the parties expressly or impliedly, where a party to a contract fails to perform one or more of its contractual duties, the consequences set out in this clause will follow if and to the extent that the party proves: (a) that its failure to perform was caused by an impediment beyond its reasonable control; (b) that it could not reasonably have been expected to have taken the occurrence of the impediment into account at the time of the signing of the contract; and (c) that it could not reasonably have avoided or overcome the effects of the impediment.
- C. A party invoking this clause shall be presumed to have established the conditions described in the preceding paragraph in the case of the occurrence including, but not limited to, one or

more of the following impediments or other similar causes beyond the control of the vendor or LRWRA in the performance of the contract where non-performance, by exercise of reasonable diligence, cannot be prevented:

- acts of God or natural disaster such as but not limited to violent storm, cyclone, typhoon, hurricane, tornado, blizzard, earthquake, volcanic activity, landslide, tidal wave, tsunami, flood, damage or destruction by lightning, drought;
- acts of war (whether declared or not), armed conflict or the serious threat of the same (including but not limited to hostile attack, blockade, military embargo), hostilities, invasion, act of a foreign enemy, extensive military mobilization;
- civil war, riot, rebellion, revolution, military or usurped power, insurrection, civil commotion or disorder, mob violence, act of civil disobedience;
- acts of public enemies, acts of terrorism, sabotage or piracy;
- **plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine or other employee restrictions;**
- act of authority whether lawful or unlawful, compliance with any law or governmental order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure of works, requisition, nationalization;
- explosion, fire, destruction of machines, equipment, factories and of any kind of installation, prolonged break-down of transport, telecommunication or electric current;
- general labor disturbance such as but not limited to boycott, strike and lock-out, go-slow, occupation of factories and premises;
- shortage or inability to obtain critical material or supplies to the extent not subject to the reasonable control of the subject Party.

D. The affected party shall provide the other party with written notice of any force majeure occurrence as soon as the delay is known and provide the other party with a written contingency plan to address the force majeure occurrence, including, but not limited to, specificity on quantities of materials, tooling, people, and other resources that will need to be redirected to another facility and the process of redirecting them. Furthermore, the affected party **shall** use its commercially reasonable efforts to resume proper performance within an appropriate period of time. Notwithstanding the foregoing, if the force majeure condition continues beyond 30 days, the parties to the contract shall jointly decide on an appropriate course of action that will permit fulfillment of the parties' objectives under the contract.

E. The vendor agrees that in the event of a delay or failure of performance by the vendor under the contract due to a force majeure occurrence:

1. LRWRA may purchase products from other sources (without recourse to and by the vendor for the costs and expenses thereof) to replace all or part of the products which are the subject of the delay, which purchases may be deducted from the contract quantities without penalty or liability to LRWRA, or

2. The vendor will provide LRWRA with access to products first in order to fulfill orders placed before the force majeure event occurred.

- F. Neither the vendor nor LRWRA shall be liable to the other for any delay in or failure of performance under the contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the vendor and LRWRA to be necessary to enable complete performance by the contracted vendor if reasonable diligence is exercised after the cause of delay or failure has been removed.
- G. Notwithstanding the above, at the discretion of LRWRA where the delay or failure will significantly impair the value of the contract to LRWRA, LRWRA may terminate the contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the contract or the relative part thereof.
- H. In addition, LRWRA reserves the right, in its sole discretion, to make an equitable adjustment in the contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of vendor; (ii) the volatility affects the marketplace or industry, not just the particular contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects vendor's performance that continued performance of the contract would result in a substantial loss to the vendor. In the event of a dispute between the vendor and LRWRA, such dispute shall be resolved in Pulaski County, Arkansas; provided, however, that nothing in this clause shall excuse the vendor from performing in accordance with the contract as changed. Equitable adjustment may include adjustments financially or in any terms of contract performance at LRWRA's sole discretion.
- I. Vendor shall not be entitled to an adjustment in contract price or other non-price related items caused by or within the control of vendor. Delay, disruption, and interference attributable to and within the control of a subcontractor or supplier shall be deemed to be within the control of vendor.

9. GOVERNING LAW

- A. The laws of the State of Arkansas shall govern this contract as to interpretation and performance.
- B. Any and all legal action necessary to enforce any resulting contract shall be brought in Pulaski County, Arkansas.
- C. LRWRA shall not agree to any provision of a contract which violates the federal, State, or local laws or the constitution of the State of Arkansas.

10. CONDITIONS OF CONTRACT

The vendor shall at all times observe and comply with federal and State of Arkansas laws, local laws, ordinances, orders, and LRWRA policies and regulations existing at the time of or enacted subsequent to the execution of a resulting contract which in any manner affects the completion of the work.

11. INDEMNITY

Vendor shall indemnify and save harmless LRWRA and its agents, servants, and employees from, and against, any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, or losses of any nature whatsoever, civil or criminal, incurred by any of them including attorney's fees arising out of a willful or negligent act, or omission, including, but not limited to actions arising under any local, state or federal environmental laws or regulations, or omissions of vendor, its officers, agents, servants, and employees; provided, however, that vendor shall not be liable for any suits, actions, legal proceedings, claims, demands, damages, costs, expenses, and attorney's fees arising out of the award of any resulting contract due to a willful or negligent act, or omission, of LRWRA, its agents, servants, and employees.

LRWRA, under Arkansas law, may not enter into a warranty, covenant, or agreement to hold a party harmless or to indemnify a party from prospective damages.

12. STATEMENT OF LIABILITY

LRWRA or participating agency will demonstrate reasonable care but shall not be liable in the event of loss, destruction, or theft of vendor-owned items to be delivered or to be used in the installation of deliverables. The vendor shall be required to retain total liability until the deliverables have been accepted by the authorized representative of LRWRA or participating agency. LRWRA and participating agencies shall not be responsible for or accept liability for any vendor-owned items.

13. NON-DISCRIMINATION

As a condition for doing business with LRWRA, the awarded contractor shall not discriminate on the basis of race, color, creed, religion, sex, national origin, age, disability, marital status, sexual orientation, gender identity, genetic information, political opinions or affiliation, military status, or other status protected by applicable law and shall require such compliance in agreements with subcontractors and sub-subcontractors.

14. SMALL AND VETERAN-OWNED BUSINESS POLICY

Little Rock Water Reclamation Authority encourages participation of small business enterprises and veteran-owned businesses in the procurement of goods, services, professional services, and construction, either as a vendor, general contractor or sub-contractor. It is further requested that whenever possible, vendors or prime contractors who require sub-contractors seek qualified small and/or veteran-owned businesses to partner with them.

15. DELEGATION AND/OR ASSIGNMENT

Vendor shall not assign the contract or any portion thereof or delegate any of vendor's right or duties thereunder without prior written approval of LRWRA. This written approval shall not be considered as making LRWRA a party to such subcontract or subjecting LRWRA to liability of any kind to any subcontractor. No subcontract shall under any circumstances relieve vendor of liability and obligation under any resulting contract, and all transactions shall be made through vendor. Subcontractors shall be recognized and dealt with only as workers and representatives of vendor and as such shall be subject to the same requirements of character and competence as required of vendor's employees. Any purported assignment made in violation of this provision shall be void and of no force and effect and shall constitute a material breach of any resulting contract.

16. RECORD RETENTION

A. The vendor shall maintain all pertinent financial and accounting records and evidence pertaining to the contract in accordance with generally accepted principles of accounting and other specified LRWRA policies. Upon request, access shall be granted to LRWRA, State or Federal Government entities or any of their duly authorized representatives.

B. Financial and accounting records shall be made available, upon request, to the LRWRA's designee(s) at any time during the contract period and any extension thereof, and for five (5) years from expiration date and final payment on the contract or extension thereof.

C. Other sections of this solicitation may contain additional Requirements regarding record retention.

17. CONTRACT INTERPRETATION

Should the using agency and vendor interpret specifications differently, either party may request clarification. However, if an agreement cannot be reached, the determination of using agency shall be final and controlling.

18. CANCELLATION FOR CONVENIENCE

A. LRWRA shall have the right to cancel a contract, in whole or in part, in the event LRWRA no longer needs the service or commodity specified in the contract due to program changes, changes in laws, rules, or regulations, relocation of offices, lack of appropriated funding, or if it is determined to be in LRWRA's best interest to do so. LRWRA shall give the vendor written notice of cancellation, specifying the terms and the effective date of contract termination. The effective date of termination shall be 30 days from the date of notification, unless specified in the notification.

B. In the event LRWRA cancels a contract for one of the above reasons, LRWRA shall pay only those sums due for services and/or goods received and accepted up to the termination date as stated in the notification.

C. The vendor may terminate any resulting contract by providing written notice of cancellation to LRWRA. Vendor must confirm with LRWRA that notice of cancellation has been received. Notice of cancellation must be provided to LRWRA a minimum of 90 days prior to termination of contract.

FEDERAL CONTRACT TERMS AND CONDITIONS

When a participating agency seeks to procure goods and services using funds under a Federal grant or contract, specific Federal laws, regulations, and requirements may apply in addition to those under state law, including without limitation the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the “**Uniform Guidance**” or “**EDGAR**” requirements).

All Respondents submitting proposals must complete this Federal Contract Terms and Conditions certification form regarding Respondent’s compliance with certain requirements which may be applicable to specific participating agency purchases using Federal grant funds. This completed form shall be made available to Participating Agencies for their use while considering their purchasing options when using Federal grant funds. Participating Agencies may also require supplier partners to enter into ancillary agreements, in addition to the Master Agreement’s general terms and conditions, to address the Participating Agency’s specific contractual needs, including contract requirements for a procurement using Federal grants or contracts.

For each of the items below, Respondent should certify its agreement and ability to comply, where applicable, by having its authorized representative sign the acknowledgment at the end of this form. If Respondent fails to complete any item in this form, CoreTrust shall consider Respondent’s response to be that it is unable or unwilling to comply. A negative response to any of the items may, if applicable, impact the ability of a participating agency to purchase from the supplier partner using Federal funds.

1. SUPPLIER PARTNER VIOLATION OR BREACH OF CONTRACT TERMS

Contracts for more than the simplified acquisition threshold currently set at three hundred fifty thousand dollars (\$350,000), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where supplier partners violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Any contract award shall be subject to the Master Agreement, as well as any additional terms and conditions in any purchase order, participating agency ancillary contract, or Participating Agency construction contract agreed upon by supplier partner and the Participating Agency which must be consistent with and protect the Participating Agency at least to the same extent as the Master Agreement.

The remedies under this agreement are in addition to any other remedies that may be available under law or in equity. By submitting a proposal, you agree to these supplier partner violation and breach of contract terms.

2. TERMINATION FOR CAUSE OR CONVENIENCE

When a participating agency expends Federal funds, the participating agency reserves the right to immediately terminate any agreement in excess of ten thousand dollars (\$10,000) resulting from this procurement process in the event of a material breach or default of the agreement by supplier partner in the event supplier partner fails to (after an opportunity to cure): (1) meet schedules, deadlines, and / or delivery dates within the time specified in the procurement solicitation, contract, and / or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and / or the procurement solicitation. Participating agency also reserves the right to terminate the contract immediately, with written notice to supplier partner, for convenience, if participating agency believes, in its sole discretion that it is in the best interest of participating agency to do so. Respondent shall be compensated for work performed and accepted and goods accepted by participating agency as of the termination date if the contract is terminated for convenience of participating agency and any other costs permitted under the Federal Acquisition Regulation (FAR) clauses in effect at the time of the execution of this agreement. Any award under this procurement process is not exclusive and participating agency reserves the right to purchase goods and services from other supplier partners when it is in participating agency’s best interest consistent with the FAR.

In accordance with the statute, supplier partner is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, supplier partner shall pay wages not less than once a week. The Participating Agency is responsible for denoting that the Davis-Bacon Act is applicable and designate the relevant wage determination.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Supplier partner agrees that, for any purchase to which this requirement applies, the award of the purchase to the supplier partner is conditioned upon supplier partner's acceptance of the wage determination as designated by the Participating Agency.

Supplier partner further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States.") The Act provides that each supplier partner or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

Where applicable, for all participating agency contracts or purchases in excess of one hundred thousand dollars (\$100,000) that involve the employment of mechanics or laborers, supplier partner agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, supplier partner is required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one-and-a-half times the basic rate of pay for all hours worked in excess of forty (40) hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. RIGHT TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the participating agency's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Supplier partner agrees to comply with the above requirements when applicable.

7. CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of one hundred fifty thousand dollars (\$150,000) must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, supplier partner agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Supplier partner certifies that supplier partner is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. See, 2 CFR 200.324(b). When required by a participating agency, supplier partner agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. SECTION D – NEW JERSEY BUSINESS COMPLIANCE

New Jersey Business Compliance – Limitation of Applicability

The New Jersey Business Compliance requirements and Attachments listed in this Section are included to ensure that the Contract can be used by New Jersey agencies in compliance with their state requirements. Their inclusion ensures that the Master Agreement may be lawfully promoted and used by New Jersey agencies.

To simplify administration, vendors are asked to complete the Attachments at the time of proposal submission. Completion in such cases is for administrative convenience only and shall not create any obligation in any state that does not permit or require such provisions.

These requirements are applicable only when a government agency located in New Jersey is acting as the procuring or Participating Agency. For all other Lead Agencies and Participating Agencies, the New Jersey requirements do not apply. Agencies outside of New Jersey are not required to complete or comply with these Attachments or statutory references as a condition of response, evaluation, or award.

The procurement laws of the Lead Agency and each Participating Agency shall govern, and any conflicting provisions in the New Jersey Business Compliance materials shall have no effect outside of New Jersey.

The inclusion of these New Jersey forms is necessary for New Jersey's participation but does not create obligations for Respondents outside New Jersey and shall have no effect on eligibility for award under this Solicitation, except where New Jersey itself is the procuring or Participating Agency.

Applicability of Attachment 3 – New Jersey Only

Attachment 3 – Affirmative Action Affidavit (P.L. 1975, c.127) is included solely to satisfy requirements under New Jersey law. This Attachment is applicable **only** to solicitations, contracts, or orders issued by government agencies located in New Jersey or other entities conducting procurements under New Jersey law.

In Arkansas, pursuant to Arkansas Code Annotated § 19-11-249 (Cooperative Purchasing) and Arkansas Act 116 of 2025 (Title 25), compliance with Attachment 3 is expressly prohibited and shall not be required. In all other states, applicability of Attachment 3 is governed exclusively by the laws of that state.

To simplify administration, vendors are asked to complete Attachment 3 at the time of proposal submission. Completion in such cases is for administrative convenience only and shall not create any obligation in Arkansas or in any state that does not permit or require such provisions.

For clarity, the inclusion of Attachment 3 does not create any obligation for vendors in Arkansas or in any other state that does not permit or require such provisions. Non-compliance with New Jersey's requirements shall have no effect on a vendor's eligibility for award or fulfillment of orders under this Solicitation, except where a government agency located in New Jersey is the procuring or Participating Agency.

ATTACHMENT 4 – C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).

2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission shall not be allowed.

3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This shall assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html. They shall be updated from time-to-time as necessary.

b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**

c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.

d) The form may be used “as-is”, subject to edits as described herein.

e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This shall assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

ATTACHMENT 4 – C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency in the state of New Jersey that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract;
 - of that county in which that public entity is located;
 - of another public entity within that county; or
 - of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county.

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This shall assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

*N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

APPENDIX B – BEST VALUE SOLICITATION

SECTION F – BACKGROUND & SCOPE

1. INTRODUCTION

Nationwide Cooperative Contract for Janitorial Supplies and Equipment.

Lead Agency: Little Rock Water Reclamation Authority (“LRWRA”)

Little Rock Water Reclamation Authority, serving as the Lead Agency in partnership with CoreTrust Purchasing Group, is issuing this solicitation for Janitorial Supplies and Equipment on behalf of a nationwide cooperative purchasing contract. This solicitation is a Best Value RFP, meaning proposals will be evaluated not solely on cost but on the overall value, including quality, technical capability, past performance, and the ability to meet cooperative contract needs.

The selected vendor must provide a scalable, innovative solution that meets the needs of various participating agencies, including municipalities, counties, school districts, and political subdivisions.

This RFP seeks proposals that address the requirements of this cooperative agreement, demonstrate experience with similar contracts, and offer competitive, transparent pricing for all agencies. Proposals must clearly describe the solution's capabilities, scalability, and cooperative contract support services.

At the time of this solicitation, the number of Participating Agencies is unknown

2. OVERVIEW

This best value solicitation (“**solicitation**”) is published by the Little Rock Water Reclamation (“**Lead Agency**” or “**LRWRA**”) for the purpose of awarding a master cooperative purchasing agreement (the “**Master Agreement**”) and creating a cooperative purchasing program for Suppliers with related products and services (the “**Program**”) that shall be available to Participating Agencies (as defined below). Companies and organizations which respond to this solicitation (“**Respondents**”) and are awarded a Master Agreement are referred to throughout this solicitation and supporting documentation as a “**Supplier**.”

By purchasing Products & Services (as defined herein) under the Master Agreement through the Program administered by CoreTrust Purchasing Group LLC (“**CoreTrust**”), a public entity is a “**Participating Agency**” and agrees to be bound by the terms of the Master Agreement, which includes and is subject to the **Master Intergovernmental Cooperative Purchasing Agreement** attached hereto as Section L. Each Participating Agency may be required to acknowledge or certify its agreement to additional statutory terms in writing as may be required by CoreTrust and/or Lead Agency. Where any public entity pursuing benefits of the Program hereunder is previously registered with or is otherwise an existing member of CoreTrust’s cooperative purchasing program, the terms of this solicitation (and all documents attached hereto) shall control over all prior agreements with respect to such public entity’s enrollment in CoreTrust’s cooperative purchasing program and the benefits afforded to members thereof.

CoreTrust is a cooperative purchasing organization working together with public procurement leaders to create high quality, cooperative contracts that optimize cost savings, drive compliance and efficiency, and provide effective outcomes to public sector agencies. CoreTrust cooperative contracts also actively support local labor markets, ensuring a holistic approach to sustainable growth and impact.

By leveraging the CoreTrust suite of cooperative contracts, public agencies will gain access to contracts and discounts from leading suppliers of products and services across a wide variety of industries and benefit from a streamlined procurement process.

3. PURPOSE

Proposals are being sought from qualified vendors to provide Janitorial Supplies and Equipment on an as needed basis. The awarded vendor shall provide a comprehensive solution designed to support municipalities, government agencies, and political subdivisions.

4. TERM OF CONTRACT

- A. The anticipated starting date for any resulting contract is April 2026, except that the actual contract start date may be adjusted unilaterally by LRWRA for up to three (3) calendar months. Each market basket shall consist of a defined list of representative, high-use products provided in the solicitation. Market basket pricing shall be used for evaluation purposes and may also be utilized by participating agencies during the contract term.

Pricing submitted for market basket items shall:

Catalog discount pricing shall apply uniformly across applicable product categories and shall remain firm for the duration of the contract term, except as otherwise permitted herein.

The Authority reserves the right to reject pricing structures that utilize excessive, overlapping, or ambiguous discount categories that impede price comparison or contract administration.

15.4 Manufacturer's Published List Price

For purposes of this contract, "manufacturer's published list price" shall mean the most current, bona fide price list issued by the original manufacturer and made available generally to distributors.

The following practices are expressly prohibited:

Price increases shall be permitted no more than once per contract year and only where supported by documented manufacturer list price increases. Under no circumstances shall a price increase exceed the impact of the corresponding manufacturer list price change.

15.6 Non-Catalog and Special-Order Items

Items not included in the contractor's standard catalog or market baskets but available from a manufacturer shall be priced using the applicable catalog discount or, where no published list price exists, subject to a fixed maximum markup disclosed in the proposal.

All pricing shall be **FOB Destination**, freight prepaid and allowed.

Upon restoration of availability of the originally ordered product, the contractor shall resume delivery of the original product without additional notice.

16.7 Rejection of Unauthorized Substitutions

An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

SECTION H – REQUIREMENTS FOR NATIONAL COOPERATIVE CONTRACT

1. NATIONAL OFFERING. This Section H defines the expectations for qualifying Suppliers based on CoreTrust's and Lead Agency's requirements to market the resulting Master Agreement nationally to potential Participating Agencies. All transactions, purchase orders, invoices, and payments shall occur directly between Supplier and each Participating Agency, individually, and neither CoreTrust nor Lead Agency, including their respective agents, directors, employees, or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., of or incurred by any other Participating Agency. Supplier is responsible for knowing the tax laws in each state. These requirements are incorporated into and are considered an integral part of this solicitation and are hereby incorporated into the Administration Agreement and Master Agreement. CoreTrust reserves the right to determine whether to make the Master Agreement awarded by Lead Agency available to any Participating Agency, in its sole and absolute discretion, and any party submitting a response to this solicitation acknowledges that any award by Lead Agency does not obligate CoreTrust to make the Master Agreement available to Participating Agencies.

2. AUTHORIZATION OF CONTRACTORS, SUBCONTRACTORS, DEALERS, RESELLERS, AND DISTRIBUTORS. If Lead Agency or Respondent requires the use of contractors, subcontractors, dealers, resellers, or distributors to sell or service the Products & Services included in their proposal, the proposal should provide a list of or direct the proposal review team to where they can locate a list of the Respondent's dealers, resellers, or subcontractors who shall be authorized to sell through the contract in the event the Respondent receives a contract award. In the event Respondent receives a contract award and, during the term of such Master Agreement, additional or different contractors, subcontractors, dealers, resellers, or distributors are required by Lead Agency, Participating Agency, and/or Respondent (as applicable), the use of such additional or different contractors, subcontractors, dealers, resellers, or distributors shall be subject to the other party's consent (which approval shall not be unreasonably withheld, conditioned, or delayed) as evidenced in a writing signed by an authorized representative of each of Respondent and Lead Agency.

3. AWARD BASIS. The award of any Master Agreement resulting from this solicitation made by Lead Agency shall be the basis through which CoreTrust makes available the Master Agreement on a national level through the CoreTrust national cooperative contract program. If multiple Respondents are awarded by Lead Agency under the Master Agreement, those same Respondents shall be required to extend the Master Agreement to Participating Agencies through CoreTrust. Utilization of the Master Agreement by Participating Agencies shall be at the discretion of the individual Participating Agency. Certain terms of the Master Agreement specifically applicable to Lead Agency (e.g. governing law) are subject to modification for each Participating Agency as Supplier, such Participating Agency, and CoreTrust shall agree without being in conflict with the Master Agreement. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and Supplier (contract sales are reported to CoreTrust).

4. MARKETING, SALES, AND ADMINISTRATIVE SUPPORT. CoreTrust shall provide marketing, sales, and administrative support to Supplier as determined by CoreTrust to market and promote the Products & Services on a national level. Such support and Supplier obligations shall be further detailed in the Administrative Agreement and may include, without limitation, training support, marketing collateral,

website materials, participation in pitches and sales calls, trade shows, advertising, and social media campaigns.

5. ADMINISTRATIVE FEE. Suppliers shall be obligated to remit an Administrative Fee to CoreTrust in consideration of CoreTrust’s support of the Program. Such Administrative Fee shall be paid by Supplier in accordance with the terms of the Administration Agreement.

WHEREAS, Little Rock Water Reclamation Authority serves as a lead agency (a “**Lead Agency**”) for CoreTrust Purchasing Group LLC (“**CoreTrust**”), a national cooperative purchasing organization, by publicly procuring Master Agreements for products and services (the “**Program**”) to be made available to current and prospective CoreTrust cooperative purchase program participants (“**Program Participant**”);

WHEREAS, CoreTrust is Lead Agency’s third-party procurement administrator and duly authorized agent managing procurement, contract management, marketing, sales, reporting, and financial activities of, for, and on behalf of Lead Agency;

The term “**Public Sector Entity**” includes without limitation state, county, city, special district, and/or local government entities, school districts, private and public educational institutions, political subdivisions, state/regional/territorial agencies, state/regional/territorial governments, and other entities receiving financial support from tax monies and/or public funds;

WHEREAS, CoreTrust makes its Master Agreements available through groups and associations (“**Association Partners**”) that contract with CoreTrust to provide additional benefits to such Association Partners’ members;

WHEREAS, Program Participants, Association Partners, and Association Partners’ members are referred to herein as “**CoreTrust Participants**”;

WHEREAS, Lead Agency issued a best value solicitation (“**solicitation**”) on behalf of CoreTrust Participants and solicited responses from companies (“**Respondent(s)**”) for Janitorial Supplies and Equipment with related products and services, as further described in Supplier’s cost proposal submission (collectively, “**Products & Services**”), and awarded a contract to Supplier; and

WHEREAS, CoreTrust shall make available this Master Agreement to Program Participants for procurement of Supplier’s Products & Services, and Supplier shall provide the same to Program Participants subject to this Master Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

1. PERSONNEL; EQUIPMENT. Supplier shall provide the Products & Services to all Program Participants at the prices set forth in its cost proposal submission delivered in response to the solicitation. Supplier shall engage such subcontractors, personnel, and/or specialized equipment necessary to furnish Products & Services to all Program Participants throughout the Term of this Master Agreement.

2. SUPPLEMENTAL AGREEMENTS. No separate agreement shall apply to the Products & Services ordered under this Master Agreement.

3. PRICING

a. Charges. All amounts to be paid by Program Participants for Products & Services are provided in the cost proposal attached to the solicitation as Section O (“**Cost Proposal**”). Supplier agrees that there are no other rates, fees, charges, or other monetary incentives for Products & Services except those listed in Supplier’s Cost Proposal.

b. Restrictions. All pricing is “Not-To-Exceed,” where Program Participants shall receive pricing that does not exceed the per-unit pricing provided in Respondent’s Cost Proposal. No price increases are permitted within the first ninety (90) days after the Effective Date hereof. Thereafter, Supplier shall notify CoreTrust in writing immediately upon Supplier’s determination of any price increase, and all price increases shall be requested in writing to Lead Agency. Supplier shall deliver to Lead Agency manufacturer documentation or a formal cost justification letter simultaneous with such request. For clarity, price increases must be approved in writing by Lead Agency’s authorized representative in order to take effect, and no payment for additional materials or services beyond the amount

stipulated in the Cost Proposal shall be paid without such prior approval. Supplier shall maintain all current pricing on file with CoreTrust, and shall provide to CoreTrust all price changes using the same format as was accepted in the original awarded contract.

4. TERM; TERMINATION

a. Term. This Master Agreement commences as of the effective date ("**Effective Date**") identified in the Master Agreement Acceptance Form attached to the solicitation as Section J ("**Master Agreement Acceptance Form**") and continues for the later of: (i) three (3) years; and (ii) the expiration date identified in the Master Agreement Acceptance Form ("**Termination Date**") unless extended, terminated, or canceled as set forth herein ("**Initial Term**"). Thereafter, Lead Agency may opt to renew his Master Agreement for four (4) additional one (1) year period(s) (each, a "**Renewal Term**") unless this Master Agreement is earlier terminated as set forth herein. By the Parties' mutual written consent, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term(s) ("**Extended Term**"). The Initial Term together with all Renewal Terms and Extended Terms exercised are hereinafter collectively referred to as the "**Term**."

b. Termination. Each Party may terminate this Master Agreement: (i) at any time upon mutual written consent of all Parties' respective authorized representatives; (ii) upon ten (10) additional days' written notice in the event another Party breaches a material obligation hereunder, and (if such breach is curable) such Party fails to cure the breach or provide acceptable reassurance to the non-breaching Party(ies) within thirty (30) calendar days of receiving written notice thereof; and/or (iii) upon five (5) business days' written notice: (1) if another Party is adjudged insolvent or bankrupt or makes any assignment for the benefit of creditors; (2) upon the appointment of a receiver, liquidator, or trustee of another Party's property or assets; or (3) upon liquidation, dissolution, or winding up of another Party's business.

c. Effect of Termination. Upon termination of this Master Agreement for any reason, all Confidential Information shall be promptly returned to the Disclosing Party. Supplier shall immediately cease all sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the effective date of termination, Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect, either directly or through some other contract vehicle. Following the effective date of termination, Lead Agency and CoreTrust shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or supplier.

5. CONFIDENTIALITY. This Section 5 shall apply solely to the extent permitted by applicable law. The non-public nature and details of the business relationship established hereunder, and each Party's ("**Disclosing Party**") non-public business information to which another Party (the "**Receiving Party**") becomes privy during the Term, constitute the Disclosing Party's confidential and proprietary information ("**Confidential Information**"), the disclosure, copying, or distribution of which in breach of this Master Agreement could result in harm to the Disclosing Party. Each Party shall maintain the other Parties' Confidential Information in the strictest confidence and shall not disclose, copy, or distribute the other Parties' Confidential Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, subcontractors, consultants, and suppliers with a need to know the Confidential Information who are bound: (a) in writing to these confidentiality obligations; and/or (b) by a professional duty of confidentiality. The foregoing shall not limit a Receiving Party, for purposes of marketing, from informing actual or potential CoreTrust Participants of the existence of a general contractual relationship between the Parties. The confidentiality obligations set forth in this Section shall continue in effect for the Term and thereafter for so long as permitted under applicable law. For clarity, "Confidential Information" shall not include information: (i) which is or becomes generally available to the public other than through the fault of the Receiving Party or a third party acting on the Receiving Party's behalf; (ii) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party; and/or (iii) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives (provided, such source is not known by the Receiving Party to be subject to any prohibition against transmitting the information). Notwithstanding anything to the contrary herein, if a Receiving Party is required by applicable law, legal process, and/or court of competent jurisdiction to disclose the Disclosing Party's Confidential Information, the Receiving Party shall: (1) promptly notify the Disclosing Party in writing (to the extent legally permitted) so that the Disclosing Party may seek a protective order or other appropriate remedy; (2) furnish only that portion of the Confidential Information which is legally required; and (3) reasonably cooperate with the Disclosing Party's defense against such compelled disclosure (if any), at the Disclosing Party's expense and written request.

6. INDEMNIFICATION. Supplier shall hold the CoreTrust harmless from, and indemnify CoreTrust against, any and all claims, demands, and actions based upon or arising out of any activities the Supplier and its employees and agents may perform under this Master Agreement and any related contracts or orders thereunder. Supplier shall defend any and all actions brought against CoreTrust based upon any such claims or demands.

7. INSURANCE. During the Term and for two (2) years following expiration or termination of this Master Agreement, Supplier at its own expense shall maintain, and shall require its agents, subcontractors, and suppliers engaged in Supplier's performance of its duties hereunder to maintain, general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, and expenses arising out of its performance under this Master Agreement and with respect to, or arising out of, Supplier's provision of Products & Services to Program Participants. Lead Agency, CoreTrust, and their respective officers, directors, employees, and agents shall be named as certificate holders on Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring written notice to Lead Agency and CoreTrust at least thirty (30) days prior to the cancellation, non-renewal, and/or material modification of any such policies. Supplier shall submit to CoreTrust within ten (10) calendar days after the Effective Date, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Supplier shall provide such valid certificates on an annual basis until the terms of this Section are no longer applicable.

8. AUDIT. Lead Agency, whether directly or through an independent auditor or accounting firm, may perform audits of Supplier materials, including inspection of books, records, and computer data relevant to Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, such inspections and audits shall be conducted upon reasonable notice to Supplier and in a manner not unreasonably interfering with Supplier's ordinary business operations.

9. MISCELLANEOUS

a. Submission Review. Lead Agency shall review proposed Respondent contract documents. Respondent's contract document shall not become part of Lead Agency's and CoreTrust's contract with Respondent unless and until an authorized representative of each of Lead Agency and CoreTrust reviews and approves it in writing.

b. General. This Master Agreement, together with all solicitation components of the solicitation, the components of Supplier's proposal, attachments, appendices, and exhibits hereto, constitutes the Parties' entire agreement with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same. Supplier's complete and final solicitation response is hereby incorporated into and made part of this Master Agreement. No release, discharge, abandonment, waiver, alteration, or modification of any provision of this Master Agreement shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties. This Master Agreement should be construed without regard to any rule requiring interpretation against the drafting Party. Waiver by any Party(ies) of or the failure of any Party(ies) hereto to enforce at any time its rights with regard to any breach or failure to comply with any provision of this Master Agreement by the other Party(ies) may not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other future breach or failure to comply with the same provision or any other provision of this Master Agreement. If any provision hereof is found by a court of competent jurisdiction to be invalid or unenforceable, it shall be enforced to the extent permissible and the remainder of this Master Agreement shall remain in full force and effect. This Master Agreement may be executed in one or more counterparts, each of which shall be deemed an original. For purposes of this Master Agreement, a facsimile, scanned, or electronic signature shall be deemed an original signature. In the event of conflict between terms in this Master Agreement and the terms of the solicitation or any section or attachment thereto, the following order of precedence applies: (i) the terms in the body of this Master Agreement; (ii) specifications and scope of work, as awarded; (iii) attachments and exhibits to the Master Agreement; (iv) the solicitation and all attachments thereto; and (v) Respondent's proposal and all attachments thereto.

c. Force Majeure. The Parties' obligations hereunder shall be temporarily suspended during any period a Party is unable to carry out its obligations under this Master Agreement by reason of a Force Majeure Event. For purposes of this Master Agreement, a "**Force Majeure Event**" means an occurrence negatively affecting a Party's performance hereunder and which is beyond such Party's reasonable control, including an act of God or public enemy, act of terrorism, pandemic or epidemic, fire, flood, civil commotion, or closing of the public highways. No Party shall have any responsibility to the other Party for a delay in performance nor failure to perform to the extent this Master Agreement is so temporarily suspended; provided: (i) nothing contained herein shall apply to payment obligations

with respect to obligations which have already been performed under this Master Agreement; and (ii) the affected Party: (1) promptly notifies the other Party of such Force Majeure Event and the reasonably expected duration thereof; (2) exercises commercially reasonable efforts to promptly remedy, remove, or mitigate the effects of such Force Majeure Event to the extent reasonably possible; and (3) promptly resumes performance of any suspended obligation upon cessation of such Force Majeure Event.

d. Assignment. This Master Agreement and the rights and obligations hereunder are not assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed; provided, Supplier may assign its respective rights and obligations under this Master Agreement without the consent of the other Parties in the event Supplier undergoes a corporate reorganization, consolidation, merger, sale, or transfer of all or substantially all of its assets to another entity. Subject to the preceding sentence, this Master Agreement shall be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this Section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual written agreement of the Parties' authorized representatives; provided, no such extension shall relieve the extending Party of its rights and obligations under this Master Agreement.

e. Relationship. Nothing contained in this Master Agreement creates any agency, partnership, or other joint enterprise between the Parties. The Parties shall at all times be independent contractors. No Party has authority to contract for or bind another Party in any manner whatsoever except as expressly permitted under this Master Agreement. This Master Agreement is made solely for the benefit of the Parties, and no third party shall acquire or have any right under or by virtue of this Master Agreement.

f. Governing Law. This Master Agreement shall be governed by and construed in accordance with the laws of the State of ARKANSAS and the United States of America, without regard to their respective conflict of laws principles. THE PARTIES EACH EXPRESSLY SUBMIT AND CONSENT TO THE JURISDICTION OF ANY COURT HAVING JURISDICTION OVER PULASKI, ARKANSAS WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF, OR RELATING TO, THIS MASTER AGREEMENT. EACH PARTY EXPRESSLY WAIVES ANY OBJECTION THAT IT MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE, OR *FORUM NON CONVENIENS*. In the event any Party initiates a suit and that suit is adjudicated by a court of competent jurisdiction, the prevailing Party shall be entitled to pursue recovery of reasonable attorneys' fees and costs from the non-prevailing Party, in addition to any other relief to which such court determines the prevailing Party is entitled or awarded.

g. Survival. In addition to those provisions which by their nature survive the expiration or termination of this Master Agreement, Sections 2 and 4 through 9 shall so survive.

h. Notice. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder must be in writing and shall be deemed effective: (i) when delivered personally to the recipient; (ii) the next business day following deposit with a nationally recognized overnight courier service; and/or (iii) three (3) days following deposit with the U.S. Postal Service if by certified or registered mail, return receipt requested and postage prepaid. The Parties agree that the day-to-day business communications may be made via electronic communication. (ii) General Sales Support. CoreTrust shall, subject to CoreTrust's scheduling requirements, engage in Supplier sales efforts as agreed in writing between the Parties through participating in: (1) individual sales calls; (2) joint sales calls; (3) communications and customer service; (4) discussions and communication with Organizations during the sales process to address questions related to CoreTrust's procurement process, legal authority to purchase through the Cooperative Program, and Cooperative Program design; (5) trainings for Participating Agencies' teams; (6) regular business reviews to monitor Cooperative Program success; and (7) general contract administration.

(iii) Marketing. CoreTrust shall incorporate information about the Products & Services into CoreTrust's website and general collateral materials. CoreTrust and Supplier shall jointly develop and approve marketing materials to promote Products & Services, such as website content, print materials, talking points, press releases, and general correspondence. (ii) Sales Commitment. Supplier shall market the Cooperative Program in the public sector as more thoroughly described in this Admin Agreement and the Plan. Supplier shall make available to interested Organizations such price lists or quotes as may be necessary for such Organizations to evaluate potential purchases of Products & Services, including without limitation publicizing and directly marketing to the Organizations (through print materials, appearances at conferences and promotional events, and other advertising and marketing activities) the benefits of CoreTrust's Cooperative Program and purchasing Products & Services through Supplier. Where Supplier has an existing contractual relationship for Products & Services with a state, Supplier shall notify such state of the Cooperative Program and transition the state to the pricing, terms, and conditions of a CoreTrust master agreement upon the state's request; provided, regardless of whether the state decides to transition to such master agreement, Supplier shall offer such master agreement to all Organizations located within the state.

Core List pricing will be updated on a quarterly basis and thereafter will be updated no more than one time per calendar quarter. Upon request, and when available, ODP shall provide documentation to verify that adjustments are being appropriately passed through. ODP will meet with LRWRA on an annual basis (or as otherwise necessary) to review the items on the Core List. Items on the Core List may be updated from time to time (to address additions, deletions, substitutions, and alternate products) in ODP's discretion, upon notification by ODP (including via e-mail). Catalog Discount Pricing Structure Describe your proposed catalog discount structure applicable to all products not included in the Market Baskets, including how discounts are applied across product categories.	ODP Business Solutions updates pricing on offered products and services on a regular basis as a result of market and competitive forces, including but not limited to, competitor website pricing and activities. This ensures our customers receive the most competitive pricing possible.
Pricing Transparency and Auditability Explain how your pricing structure supports transparency and auditability, including the availability of manufacturer published list prices and documentation supporting discounts.	ODP Business Solutions, LLC offers competitive pricing to each customer based on several factors, including ODP Business Solutions' total delivered cost, the customer's unique service level requirements, the customer's total volume of spend, and the customer's product mix. Because ODP Business Solutions customizes its pricing for each individual customer based on numerous factors, and because each customer is unique in its requirements, spend and product mix, we are unable to guarantee that one particular customer's pricing is as favorable as any other customer's pricing at the SKU-level. However, ODP Business Solutions is committed to providing each customer with the best valued program that suits such customer's needs. Dashboard and Reporting Samples We have provided our dashboard and reporting samples at the end of this Section N- Technical Proposal.
Price Firmness and Decreases Describe how price firmness is maintained for Market Basket pricing and catalog discounts, and explain how manufacturer list price decreases are automatically passed through to participating entities.	When a contract is effective between ODP Business Solutions and Little Rock, all line-item discounts will be held based upon the contract that is determined. Core list price adjustments (increases or decreases) are done upon evidence of actual cost changes. ODP Business Solutions made a significant investment in creating an organization, dedicated to ensuring accurate customer set-up, timely maintenance of customer pricing, and protecting the integrity of our agreements with our customers. To carry out those important responsibilities, we developed an online document management system which calendarizes the significant milestones of our legal agreements. This provides us with visibility to those commitments that are time sensitive. In addition to our system enhancements, our team of Compliance Managers are responsible for establishing a consistent schedule of inspection while ensuring that Little Rock end users are receiving the service and pricing ODP Business Solutions has committed to provide. Prices decreases, increases and other variable items are passed on as agreed in the final contract.
Price Increase Controls Describe your process for requesting and implementing price increases, including compliance with annual limitations and documentation requirements outlined in the solicitation.	ODP Business Solutions understands the importance of obtaining goods and services at the best possible unit price for Little Rock. In the janitorial category, we excel in providing visibility and cost reduction solutions for facility functions. With our extensive industry experience and best practices, we are adept at responding to organizational and competitive needs while maintaining a total cost perspective. Our expertise allows us to pass on the benefits of our valued

	partners, providing Little Rock with competitive pricing, immediate product availability, and comprehensive ongoing support. We have cultivated strong relationships with key vendors, fostering a mutually beneficial partnership that helps drive down acquisition expenses. This approach aligns with our goal of lowering costs wherever possible and stabilizing pricing fluctuations. Many manufacturers prefer to use 'Distribution' channels like ours to sell their products, rather than managing multiple 'Direct' accounts. This not only reduces their delivery and handling costs but also enables us to offer competitive pricing to our customers. The purpose of the RFP/Bid process Little Rock has initiated is to establish an attractive pricing structure that generates year-over-year savings on an equalized basis. Our aim is to create long-term cost savings while ensuring the highest level of value and service for Little Rock. We look forward to working together to achieve these goals. It is important to remember that we do not have control over some cost items, such as tariffs, shipping cost changes, and fuel costs, which can have a significant effect on final prices.
Promotional, Rebate, and Volume Programs Identify any rebates, incentives, promotional pricing, or volume programs available to cooperative participating agencies and explain how such programs interact with Market Basket and catalog pricing. ODP Business Solutions offers competitive pricing to each customer based on several factors, including the customer's core product list, the customer's unique service level requirements, the customer's total volume of spend, and the customer's overall product mix. Explain how you assist participating agencies with product standardization efforts when requested.	ODP Business Solutions is committed to enhancing performance, implementing cost reductions, and developing a program of continuous improvement through innovation. Accordingly, ODP Business Solutions continually develops ideas originating from the business solutions and office supply industry and measures our performance against marketplace best practices. As such, we implemented a proven two-step process to achieve program savings goals. • Demand Management – ODP Business Solutions can systematically drive your users to the lowest cost product selections. By utilizing our cross-reference file that will automatically point a requested product to a lower cost alternative, this aggressive approach will drive down customer spend. In addition to the cross-reference file, ODP Business Solutions recently introduced a web-based demand management model available for punch out customers with a limited view catalog highlighting your specific contract products and we can customize access by business unit. This new tool can be used to identify contract items with a drill down search and drive users to those specific products. Based on our experience we believe that if you embrace this strategy it must be introduced as a cost savings initiative at the onset of our new program to gain end user “buy-in” and support, which will be key to drive compliance. • SKU Rationalization – ODP Business Solutions has created several easy to use tools that quickly review customer usage and identify systematic approaches to drive and influence user buying patterns and trends. An example of one of these tools is called a SKU Velocity Triangle that calculates products by total extended dollars, number of times item sold & total usage and then provides a stack ranking to quickly identify valuable customer buying behavior. The analyses from these tools provide the necessary information to quickly identify lower cost opportunities for our customers. • Cost Containment Controls – ODP Business Solutions has created several easy to use tools that will help our customers to control spend and encourage the end users to focus on the core contract items. Order controls can be enabled using several methods, including restricting product categories down to the user level, mandating a defined core list, single and tiered approvals, which provides flexibility to route orders and manage spend. • Dashboard – This program gives you real-time access to important account information. It displays year to date and monthly spend analysis by ship to, cost center and user. The dashboard also identifies opportunities to utilize additional ODP Business Solutions services that will result in cost savings.

Our Customer Care Professional (CCPs) are actively involved with our clients to understand their business and to continuously find ways to customize specific services to meet the strategic objectives of our clients. It is imperative that all ODP Business Solutions CCPs participate in a mandatory training process in order to provide our national account customers with the excellent customer care they deserve. The first two weeks include extensive classroom system training where the instructors teach the

	How Tos of our system, which include order taking, return processing, and all customer care options. After completion of the classroom training, CCPs sit one-on-one with experienced representatives to learn first-hand exactly how to perform the duties and responsibilities of the CCPs by listening to how all customer-related issues are handled and executed. Simultaneously, the trainees follow along with the ODP Business Solutions manual learning all the practical material that applies. During the next step, the trainee and their experienced CCPs switch roles and allow the trainee to partake in calls. Eventually, the trainee is on his or her own but must go through a manager's checklist covering all Customer Care issues within the ODP Business Solutions manual. All CCPs participate in an ongoing training process even after the initial training has been completed. Three times per month, selected CCPs are monitored on designated days, tracked on all daily processes and how they handle customer issues. This continuous learning process strives for constant improvement through practice to enhance ODP Business Solutions customers' service experience.

Explain your business continuity and risk mitigation strategies.	<u>Business Continuity</u> ODP Business Solutions understands your concern that an emergency could potentially prevent us from providing you with the products and services you need. For this reason, a Business Continuity & IT Disaster Recovery Program enables us to continue services in the unlikely event that we experience an unplanned outage affecting our computer systems, telecommunication systems, or warehouse/shipping capabilities. These plans have been designed and maintained to ensure timely recovery from a disaster. Distribution Contingency Plan A Distribution Contingency Team has been identified at our headquarters in Boca Raton, Florida. This team addresses alternatives in the event of a catastrophic disaster that could damage a Distribution Center to the extent that orders can no longer be shipped. The Distribution Contingency Team will arrange through our computer system and Distribution Center operations to reroute customer shipments for the affected site to another location. These shipments would be supplemented, as necessary, from the closest principal wholesaler. Once the contingency site is established, transportation and labor plans are developed to handle the increase of shipments so our customers will not be inconvenienced. Depending on the nature of the catastrophe, a local last-mile delivery strategy is implemented using our dedicated route driver, local carrier or common carrier to handle customer orders. These deliveries will be sent to the customer dock or directly to the desktop in the same manner they usually do, just originating from a different point. The guiding principle of our Distribution Contingency plan is to maintain business as usual and fully address the needs of our customers. Corporate Emergency Response Team A cross-functional team of corporate support personnel, representing 23 key departments, meets before, during (when feasible, e.g., hurricane) and after a crisis or natural disaster to support our customers, associate teams, and communities. Team members are decision makers for their business units. Their mission is to protect company assets, which include the welfare of our associates, customer relationships, our buildings, merchandise, data, and our brand, and to resume operations as quickly as possible. Emergency Communication ODP Business Solutions utilizes an emergency mass communication system to quickly connect with associates before, during and after a crisis. 	Our Business Continuity Plans have successfully been tested this past year through actual events and scenarios, i.e., hurricanes, tornadoes, wildfires, and through formalized testing. The formalized plan tests were held this past year in March 2024 through December 2024.
