

## SECTION D – NEW JERSEY BUSINESS COMPLIANCE

### **New Jersey Business Compliance – Limitation of Applicability**

The New Jersey Business Compliance requirements and Attachments listed in this Section are included to ensure that the Contract can be used by New Jersey agencies in compliance with their state requirements. Their inclusion ensures that the Master Agreement may be lawfully promoted and used by New Jersey agencies.

To simplify administration, vendors are asked to complete the Attachments at the time of proposal submission. Completion in such cases is for administrative convenience only and shall not create any obligation in any state that does not permit or require such provisions.

These requirements are applicable only when a government agency located in New Jersey is acting as the procuring or Participating Agency. For all other Lead Agencies and Participating Agencies, the New Jersey requirements do not apply. Agencies outside of New Jersey are not required to complete or comply with these Attachments or statutory references as a condition of response, evaluation, or award.

The procurement laws of the Lead Agency and each Participating Agency shall govern, and any conflicting provisions in the New Jersey Business Compliance materials shall have no effect outside of New Jersey.

The inclusion of these New Jersey forms is necessary for New Jersey's participation but does not create obligations for Respondents outside New Jersey and shall have no effect on eligibility for award under this Solicitation, except where New Jersey itself is the procuring or Participating Agency.

### **Applicability of Attachment 3 – New Jersey Only**

Attachment 3 – Affirmative Action Affidavit (P.L. 1975, c.127) is included solely to satisfy requirements under New Jersey law. This Attachment is applicable **only** to solicitations, contracts, or orders issued by government agencies located in New Jersey or other entities conducting procurements under New Jersey law.

In Arkansas, pursuant to Arkansas Code Annotated § 19-11-249 (Cooperative Purchasing) and Arkansas Act 116 of 2025 (Title 25), compliance with Attachment 3 is expressly prohibited and shall not be required. In all other states, applicability of Attachment 3 is governed exclusively by the laws of that state.

To simplify administration, vendors are asked to complete Attachment 3 at the time of proposal submission. Completion in such cases is for administrative convenience only and shall not create any obligation in Arkansas or in any state that does not permit or require such provisions.

For clarity, the inclusion of Attachment 3 does not create any obligation for vendors in Arkansas or in any other state that does not permit or require such provisions. Non-compliance with New Jersey's requirements shall have no effect on a vendor's eligibility for award or fulfillment of orders under this Solicitation, except where a government agency located in New Jersey is the procuring or Participating Agency.

The contractor or subcontractor, where applicable, shall not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor shall take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading, and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

## ATTACHMENT 4 – C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

### Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 ([https://www.nj.gov/dca/divisions/dlgs/resources/lfns\\_2006.html](https://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission shall not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This shall assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
  - a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at [https://www.state.nj.us/dca/divisions/dlgs/programs/pay\\_2\\_play.html](https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html). They shall be updated from time-to-time as necessary.
  - b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
  - c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
  - d) The form may be used “as-is”, subject to edits as described herein.
  - e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
  - f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This shall assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

### Contractor Instructions

Business entities (contractors) receiving contracts from a public agency in the state of New Jersey that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee\*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract;
  - of that county in which that public entity is located;
  - of another public entity within that county; or
  - of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county.

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This shall assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

\*N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”
