APPENDIX A – REQUIREMENTS

SECTION A – PARTICIPATING AGENCY REQUIREMENTS

This section is reserved for use by Participating Agencies to include any state- or agency-specific requirements necessary for their compliance. Any such requirements apply only to that Participating Agency and where these terms conflict with other terms in this document, these terms supersede the general contract requirements solely for that Participating Agency's use of the Contract. SECTION B – LEAD AGENCY REQUIREMENTS

1. GENERAL INFORMATION

This best value solicitation ("solicitation") is published by SUNY Orange / Orange County Community College ("Lead Agency") for the purpose of awarding a master cooperative purchasing agreement (the "Master Agreement") and creating a cooperative purchasing program that shall be available to Participating Agencies. The number of "Participating Agencies" is unknown at the time of this solicitation.

2. INTRODUCTION AND BACKGROUND

Founded in 1950 and celebrating its 75th birthday, Orange County Community College has a history of innovation. The College was the first two-year college in the nation to offer the associate degree nursing program and studies in electron microscopy; and in 1982, the College was the first community college to plan and co-sponsor a business institute with local chambers of commerce.

SUNY Orange continues to grow in response to the needs of its students, offering campuses in both Middletown and Newburgh to help students achieve their academic goals. From its original configuration of two buildings—a mansion and carriage house—in 1950, the SUNY Orange Middletown campus has grown to its present size of 37 acres that houses 14 buildings.

Expansion over the years has infused the campus with significant additional educational space. The Middletown campus now boasts more than 60 general classrooms and lecture halls, along with a wide array of medical, technical and instructional laboratories. Dedicated laboratory space exists for programs in the health professions, as well as biology, chemistry, physics, architecture, criminal justice, cyber security and visual communications.

Certified as a branch campus by both the State University of New York and the New York State Education Department, the Newburgh campus offers selected academic degree programs in their entirety, enabling students in those programs to complete all of their degree requirements at the Newburgh site without having to commute to the Middletown campus. The full degree programs available in Newburgh include business management, criminal justice, criminal justice-police, human services, individual studies, liberal arts (humanities and social science) and nursing.

In addition to its traditional for-credit degree courses and programs on both campuses, the College is growing its non-credit/workforce programming under the newly branded umbrella of "SUNY Orange Plus" (formerly known as CAPE). This roster of training, certification and credential courses also includes robust High School Equivalency (HSE/GED) and English-as-a-Second-Language (ESL) programs as well as Orange County FoodTEC, the College's workforce training initiative specific to the region's food, beverage and hospitality sectors.

3. ADDENDA

The College may modify the RFP prior to the date fixed for submission by posting it in the same manner as the RFP is posted.

4. FREEDOM OF INFORMATION LAW

The College is required to comply with the New York State Freedom of Information Law (Public Officer's Law Article 6). Should any member of the public request a copy of a proposal, the College will review the request and may disclose the requested proposal in whole or in part. If an Offeror believes that its proposal or any portion thereof should be exempt from disclosure, it is incumbent that the Offeror identify, AT THE TIME OF ITS PROPOSAL SUBMISSION, each page of the proposal for which exemption will be claimed. The Offeror may indicate same with the words "Confidential," "Proprietary", or "Trade Secret" written or stamped on the page.

5. Prevailing Wage Requirements and Pricing Clause for Nationwide Cooperative

A. Overview and Applicability

This clause governs prevailing wage compliance for all work performed under this cooperative contract, regardless of the prevailing wage requirements of the Lead Agency's state. It applies to:

- All services performed in the Lead Agency's state must comply with applicable federal, state, or local wage laws in that jurisdiction. If no prevailing wage laws apply, pricing may reflect standard labor rates.
- Services performed in Participating Agencies' states must comply with the prevailing wage requirements mandated by the applicable federal, state, or local laws of that jurisdiction.
- Federal wage laws, including the Davis-Bacon Act, apply to any work funded in whole or in part with federal funds.

B. Prevailing Wage Compliance – All Jurisdictions

1. The Contractor is responsible for determining and complying with all applicable prevailing wage requirements in each jurisdiction where services are performed under this contract.
2. This includes compliance with:
 - Federal prevailing wage laws (e.g., Davis-Bacon Act),
 - State or local prevailing wage laws,
 - Any jurisdiction-specific wage determinations applicable to a project or contract.
3. The absence of prevailing wage requirements in the Lead Agency's state does not exempt the Contractor from compliance in other jurisdictions.
4. Each Participating Agency will notify the Contractor of any applicable wage obligations. The Contractor is responsible for proactively confirming this information prior to beginning work.

C. Contractor Obligations

1. The Contractor must:
 - Confirm prevailing wage applicability with each Participating Agency prior to beginning any work.
 - Request and apply the current wage determinations issued by the appropriate federal, state, or local authority.
 - Provide jurisdiction-specific wage rate schedules to Participating Agencies where prevailing wage laws apply.
 - Adjust labor rates immediately upon any changes to applicable prevailing wage rates, ensuring the updated rates are applied to all services rendered on or after the effective date of the change.
2. The Contractor must maintain complete and accurate wage documentation for all work performed under this contract in jurisdictions with applicable wage laws. This includes, but is not limited to:
 - Certified payroll records submitted in the format required by the applicable governing authority.
 - Signed wage affidavits.
 - Records of wage classifications, hourly rates, and fringe benefits.
 - Required public postings (e.g., wage determinations, job classifications, contact information for reporting violations).
 - Any jurisdiction-specific documentation mandated by state or local law.
3. Subcontractor Compliance: The Contractor must ensure that all subcontractors comply with all applicable prevailing wage laws and maintain the same documentation standards. The Contractor is responsible for:
 - Collecting, reviewing, and retaining subcontractor wage documentation.

- Taking reasonable steps to verify subcontractor compliance.
- Ensuring subcontractors apply the appropriate wage rates and classifications.

D. Pricing Requirements

1. Base Pricing for Proposal Submission: Vendors must submit pricing that reflects the prevailing wage requirements, or lack thereof, in the Lead Agency's jurisdiction.
 - If prevailing wage laws apply in the Lead Agency's state, pricing must reflect full compliance with those rates.
 - If prevailing wage laws do not apply, pricing may reflect standard market labor rates in that jurisdiction.
2. Jurisdiction-Based Adjustments: Vendors must adjust pricing for Participating Agencies based on the prevailing wage requirements in each jurisdiction. All adjustments should be made relative to the pricing submitted in response to the Lead Agency's solicitation, which may or may not reflect prevailing wage rates, depending on the Lead Agency's laws. Specifically:
 - If the Lead Agency requires prevailing wages, vendors must offer reduced pricing to Participating Agencies in jurisdictions where prevailing wage laws do not apply or where labor costs are lower.
 - If the Lead Agency does not require prevailing wages, vendors must be prepared to increase pricing for Participating Agencies located in jurisdictions that do require prevailing wages, in full compliance with applicable federal, state, or local laws.
 - Vendors must provide updated, jurisdiction-specific pricing schedules to each Participating Agency at the time of engagement, reflecting the applicable prevailing wage obligations for that location.
3. Proposal Documentation: Vendors must clearly explain how pricing may vary across jurisdictions and how those differences relate to the Lead Agency's bid pricing. Specifically, vendors must:
 - Identify and document any pricing differences that result from jurisdictional prevailing wage requirements, relative to the pricing submitted in response to the Lead Agency's solicitation.
 - Justify all rate adjustments, whether increases or reductions, by referencing the applicable federal, state, or local wage laws that drive those changes.
4. Pricing Equity: Participating Agencies must receive pricing that is fair, transparent, and consistent with applicable labor laws. Vendors must:
 - Disclose and explain all pricing adjustments to each Participating Agency at the time of engagement. Adjustments must reflect the presence or absence of prevailing wage requirements in that jurisdiction and must be clearly identified as increases or decreases relative to the pricing submitted in response to the Lead Agency's solicitation.
 - Ensure that all pricing is complies with applicable federal, state, or local wage laws and proportionate to the labor rates required in each Participating Agency's jurisdiction.

E. Monitoring and Adjustments

1. The Contractor is solely responsible for monitoring, tracking, and implementing changes to prevailing wage rates in all jurisdictions where services are performed under this contract. This includes
 - Reviewing updates from labor authorities.
 - Subscribing to wage bulletins.
 - Maintaining systems or procedures to ensure real-time compliance.
2. Rate revisions are effective immediately upon issuance by the governing authority and must be applied to all services performed after the effective date. The Contractor must:
 - Update internal rate schedules and invoicing systems to reflect the new rates.

- Notify affected Participating Agencies of the rate changes.
 - Maintain documentation of the rate change, including the official issuance date and source.
 - Apply rate adjustments using the standard formula below, if applicable.
3. When prevailing wage rates increase during the contract term, the Contractor's pricing may be adjusted proportionally using the following formula.

Example:

A. Initial prevailing wage rate = \$50 per hour

B. Increased prevailing wage rate = \$60 per hour

C. Contractor's bid labor rate = \$70 per hour

Percentage Increase = $(\$60 - \$50) \div \$50 = 20\%$

Adjusted Labor Rate = $\$70 + (\$70 \times 0.20) = \$84$ per hour

F. Non-Compliance and Penalties

Failure to comply with applicable federal, state, or local prevailing wage laws may result in any of the following actions:

- Suspension or termination of the cooperative contract or any related purchase orders by the Lead Agency or a Participating Agency.
- Reimbursement of overcharges, including any improperly billed labor costs.
- Referral to the appropriate enforcement authority, such as a federal, state, or local labor agency, which may investigate and impose legal penalties or fines as permitted by law.
- Disqualification from future contracting opportunities under this cooperative or other public procurement programs.
- Any other contractual remedies available under the terms of this agreement or applicable procurement laws.

G. Federal Funding Considerations

When services are performed pursuant to this cooperative contract and are funded in whole or in part by federal funds, the Contractor must comply with all applicable federal prevailing wage laws, including but not limited to the Davis-Bacon Act.

- Federal wage determinations issued by the U.S. Department of Labor for the applicable project locality shall govern and take precedence over any conflicting state or local requirements.
- The Contractor must ensure compliance with all federal recordkeeping obligations, including submission of certified payrolls, and must apply the correct wage classifications and fringe benefit requirements for the work performed.

SECTION C – FEDERAL CONTRACT TERMS AND CONDITIONS

[Attachment to Follow]

FEDERAL CONTRACT TERMS AND CONDITIONS

When a participating agency seeks to procure goods and services using funds under a Federal grant or contract, specific Federal laws, regulations, and requirements may apply in addition to those under state law, including without limitation the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the “**Uniform Guidance**” or “**EDGAR**” requirements).

All Respondents submitting proposals must complete this Federal Contract Terms and Conditions certification form regarding Respondent's compliance with certain requirements which may be applicable to specific participating agency purchases using Federal grant funds. This completed form shall be made available to Participating Agencies for their use while considering their purchasing options when using Federal grant funds. Participating Agencies may also require supplier partners to enter into ancillary agreements, in addition to the Master Agreement's general terms and conditions, to address the Participating Agency's specific contractual needs, including contract requirements for a procurement using Federal grants or contracts.

For each of the items below, Respondent should certify its agreement and ability to comply, where applicable, by having its authorized representative sign the acknowledgment at the end of this form. If Respondent fails to complete any item in this form, CoreTrust shall consider Respondent's response to be that it is unable or unwilling to comply. A negative response to any of the items may, if applicable, impact the ability of a participating agency to purchase from the supplier partner using Federal funds.

1. SUPPLIER PARTNER VIOLATION OR BREACH OF CONTRACT TERMS

Contracts for more than the simplified acquisition threshold currently set at one hundred fifty thousand dollars (\$150,000), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where supplier partners violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Any contract award shall be subject to the Master Agreement, as well as any additional terms and conditions in any purchase order, participating agency ancillary contract, or Participating Agency construction contract agreed upon by supplier partner and the Participating Agency which must be consistent with and protect the Participating Agency at least to the same extent as the Master Agreement.

The remedies under this agreement are in addition to any other remedies that may be available under law or in equity. By submitting a proposal, you agree to these supplier partner violation and breach of contract terms.

2. TERMINATION FOR CAUSE OR CONVENIENCE

When a participating agency expends Federal funds, the participating agency reserves the right to immediately terminate any agreement in excess of ten thousand dollars (\$10,000) resulting from this procurement process in the event of a breach or default of the agreement by supplier partner in the event supplier partner fails to: (1) meet schedules, deadlines, and / or delivery dates within the time specified in the procurement solicitation, contract, and / or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and / or the procurement solicitation. Participating agency also reserves the right to terminate the contract immediately, with written notice to supplier partner, for convenience, if participating agency believes, in its sole discretion that it is in the best interest of participating agency to do so. Respondent shall be compensated for work performed and accepted and goods accepted by participating agency as of the termination date if the contract is terminated for convenience of participating agency. Any award under this procurement process is not exclusive and participating agency reserves the right to purchase goods and services from other supplier partners when it is in participating agency's best interest.

3. EQUAL EMPLOYMENT OPPORTUNITY

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR Part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Supplier partner agrees that such provision applies to any participating agency purchase or contract that meets the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 and supplier partner agrees that it shall comply with such provision.

4. DAVIS-BACON ACT

When required by Federal program legislation, supplier partner agrees that, for all participating agency prime construction contracts / purchases in excess of two thousand dollars (\$2,000), supplier partner shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, supplier partner is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, supplier partner shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Supplier partner agrees that, for any purchase to which this requirement applies, the award of the purchase to the supplier partner is conditioned upon supplier partner’s acceptance of the wage determination.

Supplier partner further agrees that it shall also comply with the Copeland “Anti-Kickback” Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States.”) The Act provides that each supplier partner or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

5. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

Where applicable, for all participating agency contracts or purchases in excess of one hundred thousand dollars (\$100,000) that involve the employment of mechanics or laborers, supplier partner agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, supplier partner is required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one-and-a-half times the basic rate of pay for all hours worked in excess of forty (40) hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. RIGHT TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the participating agency’s Federal award meets the definition of “funding agreement” under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Supplier partner agrees to comply with the above requirements when applicable.

7. CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of one hundred fifty thousand dollars (\$150,000) must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, supplier partner agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. DEBARMENT AND SUSPENSION

Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Supplier partner certifies that supplier partner is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Supplier partner further agrees to immediately notify CoreTrust and all Participating Agencies with pending purchases or seeking to purchase from supplier partner if supplier partner is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. BYRD ANTI-LOBBYING AMENDMENT

Byrd Anti-Lobbying Amendment (31 USC 1352) - Supplier partners that apply or bid for an award exceeding one hundred thousand dollars (\$100,000) must file the required certification. Each tier certifies to the tier above that it shall not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, supplier partner agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

Respondent's SIGNATURE

10. PROCUREMENT OF RECOVERED MATERIALS

For participating agency purchases utilizing Federal funds, Supplier partner agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may be required to confirm estimates and otherwise comply. The requirements of Section 6002 includes procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds ten thousand dollars (\$10,000) or the value of the quantity acquired during the preceding fiscal year exceeded ten thousand dollars (\$10,000); procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. PROFIT AS A SEPARATE ELEMENT OF PRICE

For purchases using Federal funds in excess of one hundred fifty thousand dollars (\$150,000), a participating agency may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.324(b). When required by a participating agency, supplier partner agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, supplier partner agrees that the total price, including profit, charged by supplier partner to the participating agency shall not exceed the awarded pricing, including any applicable discount, under supplier partner's Master Agreement.

12. PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT

Supplier partner agrees that recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain, extend, or renew a contract to procure or obtain, or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system from companies described in Public Law 115-232, section 889. Telecommunications or video surveillance equipment or services produced or provided by an entity that

the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country are also prohibited.

13. DOMESTIC PREFERENCES FOR PROCUREMENTS

For participating agency purchases utilizing Federal funds, Respondent agrees to provide proof, where applicable, that the materials, including but not limited to, iron, aluminum, steel, cement, and other manufactured products are produced in the United States.

“Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

“Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

14. GENERAL COMPLIANCE AND COOPERATION WITH PARTICIPATING AGENCIES

In addition to the foregoing specific requirements, supplier partner agrees, in accepting any purchase order from a Participating Agency, it shall make a good faith effort to work with Participating Agencies to provide such information and to satisfy such requirements as may apply to a particular participating agency purchase or purchases including without limitation applicable recordkeeping and record retention requirements.

15. APPLICABILITY TO SUBCONTRACTORS

Supplier partner agrees that all contracts it awards pursuant to the Master Agreement shall be bound by the foregoing terms and conditions.

SECTION D – NEW JERSEY BUSINESS COMPLIANCE

New Jersey Business Compliance – Limitation of Applicability

The New Jersey Business Compliance requirements and Attachments listed in this Section are included to ensure that the Contract can be used by New Jersey agencies in compliance with their state requirements. Their inclusion ensures that the Master Agreement may be lawfully promoted and used by New Jersey agencies.

To simplify administration, vendors are asked to complete the Attachments at the time of proposal submission. Completion in such cases is for administrative convenience only and shall not create any obligation in any state that does not permit or require such provisions.

These requirements are applicable only when a government agency located in New Jersey is acting as the procuring or Participating Agency. For all other Lead Agencies and Participating Agencies, the New Jersey requirements do not apply. Agencies outside of New Jersey are not required to complete or comply with these Attachments or statutory references as a condition of response, evaluation, or award.

The procurement laws of the Lead Agency and each Participating Agency shall govern, and any conflicting provisions in the New Jersey Business Compliance materials shall have no effect outside of New Jersey.

The inclusion of these New Jersey forms is necessary for New Jersey's participation but does not create obligations for Respondents outside New Jersey and shall have no effect on eligibility for award under this Solicitation, except where New Jersey itself is the procuring or Participating Agency.

Applicability of Attachment 3 – New Jersey Only

Attachment 3 – Affirmative Action Affidavit (P.L. 1975, c.127) is included solely to satisfy requirements under New Jersey law. This Attachment is applicable **only** to solicitations, contracts, or orders issued by government agencies located in New Jersey or other entities conducting procurements under New Jersey law.

In jurisdictions outside New Jersey, completion of Attachment 3 is subject to the laws of that jurisdiction. If a state or local government does not permit or require this type of affidavit, vendors are not obligated to submit it, and no adverse action will result from leaving it incomplete.

To simplify administration, vendors are asked to complete Attachment 3 at the time of proposal submission. Completion in jurisdictions that do not require it is for administrative convenience only and does not create any legal obligation.

For clarity, the inclusion of Attachment 3 does not create any obligation for vendors in Arkansas or in any other state that does not permit or require such provisions. Non-compliance with New Jersey's requirements shall have no effect on a vendor's eligibility for award or fulfillment of orders under this Solicitation, except where a government agency located in New Jersey is the procuring or Participating Agency.

PROCUREMENT, PROFESSIONAL, AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, shall not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor shall take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable shall, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants shall receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, shall send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it shall discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading, and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

ATTACHMENT 4 – C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information is available in Local Finance Notice 2006-1 (https://www.nj.gov/dca/divisions/dlgs/resources/lfn_2006.html).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).

2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission shall not be allowed.

3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.

4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This shall assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.

a) The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at https://www.state.nj.us/dca/divisions/dlgs/programs/pay_2_play.html. They shall be updated from time-to-time as necessary.

b) A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**

c) Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.

d) The form may be used “as-is”, subject to edits as described herein.

e) The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

f) The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This shall assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

ATTACHMENT 4 – C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency in the state of New Jersey that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract;
 - of that county in which that public entity is located;
 - of another public entity within that county; or
 - of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county.

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This shall assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

*N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

APPENDIX B – BEST VALUE SOLICITATION

SECTION F – BACKGROUND & SCOPE

1. INTRODUCTION

Nationwide Cooperative Contract for HIGHER EDUCATION OFFICE SUPPLIES

Lead Agency: SUNY Orange / Orange County Community College

SUNY Orange / Orange County Community College, serving as the Lead Agency in partnership with CoreTrust Purchasing Group, is issuing this solicitation for office supplies, products and related services on behalf of a nationwide cooperative purchasing contract. The Lead Agency, in collaboration with CoreTrust, seeks proposals from qualified Proposers (or “Proposers”) for office supplies, products, and related services to include but shall not be limited to binders, paper, cleaning and personal care, furniture, computer accessories, ink cartridges, notepads, post-its, pens, pencils, highlighters, school supplies, and toners.

This solicitation is a Best Value RFP, meaning proposals will be evaluated not solely on cost but on the overall value, including quality, technical capability, past performance, and the ability to meet cooperative contract needs.

The selected vendor must provide a scalable, innovative solution that meets the needs of various participating agencies, including municipalities, counties, school districts, and political subdivisions.

This RFP seeks proposals that address the requirements of this cooperative agreement, demonstrate experience with similar contracts, and offer competitive, transparent pricing for all agencies. Proposals must clearly describe the solution's capabilities, scalability, and cooperative contract support services.

At the time of this solicitation, the number of Participating Agencies is unknown.

2. OVERVIEW

This best value solicitation (“**solicitation**”) is published by the SUNY Orange / Orange County Community College (“**Lead Agency**”) for the purpose of awarding a master cooperative purchasing agreement (the “**Master Agreement**”) and creating a cooperative purchasing program for Suppliers with related products and services (the “**Program**”) that shall be available to Participating Agencies (as defined below). Where any public entity pursuing benefits of the Program hereunder is previously registered with or is otherwise an existing member of CoreTrust's cooperative purchasing program, the terms of this solicitation (and all documents attached hereto) shall control over all prior agreements with respect to such public entity's enrollment in CoreTrust's cooperative purchasing program and the benefits afforded to members thereof.

CoreTrust is a cooperative purchasing organization working together with public procurement leaders to create high quality, cooperative contracts that optimize cost savings, drive compliance and efficiency, and

provide effective outcomes to public sector agencies. CoreTrust cooperative contracts also actively support local labor markets, ensuring a holistic approach to sustainable growth and impact.

The supplier must discuss its plan to advertise and promote the contract and to prioritize government spending on this contract. See 28. Marketing Plan.

- L. Describe any debarment or suspension actions taken against the supplier within the last five years.

13.2 Discounted Pricing Requirements – Pricing Pages for Section O – Cost Proposal Workbook

- A. Offerors shall provide a transparent pricing structure based on a discount from a verifiable price list, a fixed price, or a combination of both with indefinite quantities. Pricing must be structured to allow easy verification, with clear documentation on how discounts are applied to different product categories. Any exceptions to the discounts proposed must be clearly identified. Additional pricing and/or discounts may be included. The respondent shall provide pricing for a specific list of core or high-volume use items, attached herein. The Respondent shall list all applicable discounts by group and enumerate any areas within the catalog where additional restrictions may apply. All pricing shall be provided based on a national scope for any and all government agencies within the United States.

- B. The Proposed Pricing Pages – Core items reflect high-use items and are intended to provide information for comparison only and will not be the sole determining factor in any award of an agreement resultant from this Request for Proposal process. The pricing matrix for core, or high-use items, is based on the highest quantity, most commonly used items on the current SUNY Orange contract. The Market Basket items reflect additional items from various diverse categories of items which SUNY Orange and CoreTrust Purchasing Group wish to make available to agencies on the final Agreement. The purpose of the Market Basket is to allow SUNY Orange to evaluate the proposer's non-core pricing.
- C. Therefore, if an Original Equipment Manufacturer (OEM) product is specified in the Proposed Pricing Pages proposer MUST provide pricing for that manufacturer's product and/or equivalent OEM product specified. DO NOT submit a generic equivalent, reconditioned, or reloaded item unless the item SKU specifically describes an item that may fall into one of those categories. In the event that the reference SKU reflects a generic equivalent, reconditioned, or reloaded item, then the proposer may submit their own generic item for consideration. Generic items will also be identified on the Proposed Pricing Pages document. It should be noted that the successful awarded proposer will be able to market generic, reconditioned, reloaded items that proposer considers to be equal to the listed SKU's to agencies after contract award.
- D. The respondent shall provide pricing for diverse groups of products which may include but not be limited to such items on the Pricing Matrix, office and school consumables, folders, binders & accessories, breakroom & cleaning supplies, office equipment and furniture, copy and print services, promotional materials and services, technology items including IT peripherals, paper (white recycled, virgin, other), toner (original manufacture and remanufactured) and other applicable products and services. Other applicable products and service solutions: This includes private labels that are equal to or superior to the original manufacturer's product. While SUNY Orange has attempted to include diverse product categories under the Market Basket section of the Pricing Matrix, this may not reflect all potential product categories listed herein.
- E. Core items shall be clearly designated as "Core Items" in successful Contractor's online catalog.
- F. Customized Market Baskets. In addition to the National Market Basket, Offerors may provide customized market baskets to participating agencies after Contract award.
- G. The pricing terms and conditions offered to SUNY Orange under this Agreement, in the aggregate, are as favorable as those offered by the Vendor to any of its similarly situated cooperatives serving the public sector. The pricing offered hereunder will be based on several factors, including, but not limited to, overall product mix, purchase volume, and service level requirements. 30. UNBALANCED PROPOSALS

SUNY Orange expects balanced submissions with sustainable pricing, not just artificially low moment in time pricing. To prevent this, if SUNY Orange has a question about the viability of pricing that appears significantly below market pricing, or otherwise unbalanced, we reserve the right to require an eighteen (18) month look back at web and/or list pricing to validate the market appropriateness of the price. In addition, price lists that are unbalanced can be rejected or not evaluated.

To ensure that suppliers are committed to the success of the contract over time, supplier must commit to keeping 95% of the core list available for ordering any participating entity for the entire life of the contract. If product availability on the core list falls below 95%, supplier will need to show evidence of significant market disruption or will be subject to a \$500 dollar penalty per instance where the core list is not available to the customers.

The core list has been designed to allow for private brands and commercial or OEM brands, since individual governments may have a brand preference. On commercial brands listed on the core list, we will accept "or equal substitutes" ONLY if they are also OEM products. Supplier cannot offer private label products as an alternate for brand name products but rather should list private label items in the appropriate section of the core list. The list that results will allow SUNY Orange to evaluate OEM products on a level playing field, and similarly for private label products.

(i) The Contractor identifies where such additional or alternative terms and conditions may be found;

(iii) The Participating Entity accepts such additional or alternative terms and conditions.

No additional or alternative term and condition shall be valid or binding to the Participating Entity to the extent that such additional or alternative term and condition is less favorable to the Participating Entity than, or conflicts with, the Participating Entity's Contract.

Nothing herein shall be deemed to prohibit a Contractor from offering a Participating Entity better and more advantageous pricing and terms and conditions during the term of their Contract.

agents, and employees, each of whom shall for this purpose, be deemed to be the agent or employee of the Contractor to the extent of its subcontract.

Any deliverable (product or service) provided or furnished by a Subcontractor shall be deemed for the purposes of the resulting Contract to be provided or furnished by the Contractor.

The Contractor shall inform each Subcontractor fully and completely of all provisions and requirements of the Contract.

Failure to disclose the identity of any and all Subcontractors used by the Contractor to fulfill its obligations under the resulting Contract may, at the sole discretion of CoreTrust or any Participating Entity, result in a disqualification of the Subcontractor, if not immediately cured, or may result in a termination of the resulting Contract for cause.

The Contractor shall pay all Subcontractors for and on account of Services and/or Deliverables provided by such Subcontractors in accordance with the terms of their respective subcontracts. - A. Proposals may include parts of the original RFP if answering questions asked or used in tailoring a specific response, but should not be included in full unaltered form for filler. If specific submission requirements are particularly large and self-contained, they may be included in a separate appendix. Proposals should not direct the evaluation team to visit online sources to obtain information, or include “to be provided after award,” or “provided upon request” clauses. Only material submitted prior to the submission deadline will be considered and evaluated. Responses that utilize references to external materials as an answer will be considered non-responsive.
- B. Each proposal (including the copy) must be organized and tabbed with labels with the headings listed below:
- C. All proposals shall be valid for a period of 90 days from the date the proposals are received by Lead Agency in compliance with the submission instructions set forth above.
- D. All proposals shall be reviewed for responsiveness to the material requirements of the solicitation. A proposal that is not materially responsive shall not be eligible for further consideration and the Respondent shall receive notice of the non-award of its proposal from Lead Agency.
- E. Subject to the requirements set forth in Sections A and B of the solicitation, during the period between the date Lead Agency issues this solicitation and the selection of Supplier, if any, Lead Agency must restrict all contact with Lead Agency and its personnel and shall direct any and all questions regarding this solicitation to the personnel identified in the solicitation Contact section below in the manner specified in such section. Contact with any of prohibited individuals after issuance of this solicitation and before selection is made may result in disqualification of the Respondent.
- F. Respondents may submit questions regarding this solicitation in writing to the contact listed in Section 3 of this Section G during the Q&A Period outlined in the estimated time table in Section E above. All substantive questions regarding the RFP will be shared in the form of an addendum with all known offerors interested in submitting a proposal. Respondents may be required to affirmatively acknowledge receipt of answers in the manner specified by Lead Agency. Respondents are responsible for regularly viewing the website to review all questions and answers prior to submitting proposals. Oral communications concerning this solicitation shall not be binding and shall in no way excuse a Respondent of the obligations set forth in this solicitation. For each question submitted, Prospective Contractor should reference the specific Solicitation item number to which the question refers.
- G. **SUNY Procedure 7552/State Finance Law §§139-j and 139-k:** State Finance Law §§139-j and 139-k impose certain restrictions on communications between a Governmental entity and an Offeror during the procurement process. During the restricted period the Offeror is restricted from making contacts to other than the Purchasing Department. The restricted period is from the earliest notice of intent to solicit offers through final award and approval of the Contract.

SUNY Employees and their designated representatives are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offeror pursuant to these two statutes. Certain findings of non-responsibility can result in rejection of the contract award and in the event of two findings within a four (4) year period the Offeror is debarred from obtaining government procurement contracts.
- H. In the event Lead Agency decides to conduct negotiations, exclusive or concurrent negotiations may be conducted with multiple respondents reasonably susceptible for award. Except to the extent otherwise required by law, during negotiations, no Respondent's proposal, including pricing, shall be revealed to any other party or to any other person who is not involved with the evaluation process.

- I. In the event Lead Agency in its sole discretion deems negotiations are not progressing, Lead Agency may formally terminate negotiations and may enter into subsequent exclusive or concurrent negotiations with the next most-qualified Respondent.
- J. **Lead Agency shall consider all proposals voluntarily submitted in response to this solicitation to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record in compliance with applicable open records policies and laws.** However, notwithstanding the foregoing, if a proposal is submitted in response to this solicitation, and the proposal contains trade secret information as defined under applicable law, then such trade secret information is entitled to all protections granted under applicable law or, if such applicable law requires such information to be expressly identified, such trade secret information must be clearly and conspicuously marked and/or identified as "Trade Secret Information" at the time that such proposal is submitted. If such trade secret information is so marked and/or identified, then, in accordance with applicable state law, Lead Agency shall designate such information as trade secret information and shall maintain and keep such trade secret information. Subject to the foregoing, all proposals and any other documents submitted in response to this solicitation shall become the property of Lead Agency. This solicitation and proposals submitted in response to the solicitation, except for all CoreTrust and/or Respondent pricing, processes, and information that qualifies as trade secret information under applicable law and such portions, sections, or parts of a proposal that are clearly and conspicuously marked and/or identified as Trade Secret Information, are deemed to be public records pursuant to applicable state law. For purposes of this Section, "**proposal**" shall mean both the forms submitted by the Respondent in connection with this solicitation and any attachments, addenda, appendices, or sample products. Except to the extent any information contained in a proposal is considered trade secret information under applicable law, any proposal submitted in response to this or any Lead Agency solicitation that fails to clearly and conspicuously mark and/or identify trade secret information at the time that such proposal is submitted to Lead Agency for consideration shall be deemed and considered by Lead Agency to not contain trade secret information and such proposals shall be deemed to be public records in their entirety in accordance with this Section and applicable state law.
- K. Lead Agency may, in its sole discretion, waive minor errors or omissions in a Respondent's proposals when those errors do not unreasonably obscure the meaning of the content, or the competitive nature of the proposal submitted in response to this solicitation.
- L. CoreTrust and/or Lead Agency, in their sole discretion, may request Respondents reasonably susceptible for award to submit a best-and-final offer. In such case, Respondents shall submit their best-and-final offers in writing. If a Respondent does not respond to the request for a best-and-final offer, that Respondent's most recent submission will be considered its best-and-final offer.
- M. By submitting a proposal, Respondent expressly agrees to waive any claim it has or may have against CoreTrust, its directors, officers, members, managers, employees, or agents arising out of or in connection with: (i) the administration, evaluation, or recommendation of any proposal; (ii) any requirements under the solicitation, proposal package, or related documents; (iii) the rejection of any proposal or any part of any proposal; and/or (iv) the award of a contract, if any. CoreTrust shall not be responsible or liable for any costs incurred by Respondents or the successful Respondent in connection with responding to the solicitation, preparing for oral presentations, preparing and submitting a proposal, entering or negotiating the terms of a contract, or any other expenses incurred by a Respondent. The Respondent is wholly responsible for any such costs and expenses and shall not be reimbursed in any manner by CoreTrust.

- C. The Respondent shall comply with the true intent of the specifications and drawings and not take advantage of any unintentional error or omission. In cases where no type and kind of product is specified, specifications have been developed to indicate minimal standards as to the usage, materials, and contents based on the needs of the Participating Agencies. References to manufacturer's specifications ("**Specifications**") are to be considered informative to give Lead Agency information as to the general style, type, and kind requested. Lead Agency shall, in its sole discretion, determine whether proposed goods, materials, or equipment are substantially equivalent to the Specifications, considering quality,

- H. Lead Agency reserves the right to award contract(s) to multiple Respondents. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with Lead Agency. No exclusivity is implied in connection with this solicitation unless expressly stated otherwise. Lead Agency reserves the right to obtain like goods and services from other sources.

6. REJECTION OF PROPOSALS

- A. The College reserves the right in its sole discretion to reject any or all proposals in whole or in part, without incurring any cost or liability whatsoever. All proposals will be reviewed for completeness. If a proposal fails to meet material requirements of the RFP, if it is incomplete, or contains irregularities, the proposal may be rejected.
- B. Material deviations may cause a bid to be rejected. The College may or may not waive an immaterial deviation in a proposal. The College's waiver of an immaterial deviation will in no way modify the RFP or excuse a Offeror from full compliance with the RFP requirements. A deviation is "material" if it is not in substantial accord with RFP requirements.
- C. Proposals that contain false or misleading statements may be rejected if in the College's opinion the information was intended to mislead the College regarding a requirement of the RFP.

7. EVALUATION PROCESS AND CRITERIA

- A. Offerors shall bear all costs incurred in the preparation of the proposal and resulting from participation in the proposal evaluation process. The College reserves the right to reject any and all Proposals, to accept the Proposal it considers most favorable in its sole discretion following the evaluation process set forth in the RFP, and to waive minor irregularities. The College further reserves the right to cancel this solicitation and to seek new proposals if such procedure is considered by it to be in the best interest of the College.
- B. All proposals received prior to the deadline will be reviewed for compliance with the RFP. Proposals that are non-compliant, or fail to meet the minimum mandatory requirements, will not be evaluated. Proposals that are timely, compliant and meet the minimum mandatory requirements will be reviewed by the RFP evaluation team established by the College.
- C. During the evaluation process, the College may require an offeror's representative to answer clarifying questions with regard to its proposal and/or require certain high scoring Offerors to make a formal presentation to the evaluation team and/or College leadership.

Responsive technical proposals will be evaluated by the College's evaluation team and include the following areas. Each evaluation criteria will be scored by the team members; a total overall score will be assigned to the proposal.

The score assigned to each Technical Proposal will account for 75% of the Offeror's overall score.

- Ordering & E-Commerce Capabilities – 20%
- Delivery & Logistics – 15%

4. Cost Proposal Evaluation - 25% of Bid Score

The Cost Proposals will be opened and evaluated by the Purchasing Coordinator who is not on the evaluation team. The score assigned to each Cost Proposal will account for 25% of the overall score.

Each Cost Score will be compared to the others proposed and weighted, with the lowest Cost receiving the highest cost score.

The College reserves the right to investigate all references in addition to supplied references and investigate past performance of any Offeror with respect to its successful performance of similar services, compliance with specifications and contractual obligations, completion or delivery of a project on schedule, and lawful payment of

subcontractors and employees. THE COLLEGE may postpone the award or the execution of the contract after the announcement of the apparent successful proposer in order to complete its investigation. Information provided by references may prevail in final selection, regardless of scoring results. However, the College is not obligated to utilize references as part of its evaluation criteria and may decline to investigate or consider references. Any decision made by the College in regards to the use of references, including restricting the consideration of references to only Finalists, will not be considered grounds for protest.

- E. Information Requirements. The Respondent shall provide the information, documentation, forms, and other materials required in Section N ("**Technical Proposal**").

Participating Government Entities including School Districts may request verification of compliance from any Contractor or subcontractor performing work under this Contract. These Entities reserve the right to confirm compliance in accordance with applicable laws.

Should the Participating Entities suspect or find that the Contractor or any of its subcontractors are not in compliance, they may pursue any and all remedies allowed by law, including, but not limited to: suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

F. IMPLEMENTATION OF HOUSE BILL 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

SECTION H – REQUIREMENTS FOR NATIONAL COOPERATIVE CONTRACT

1. NATIONAL OFFERING. This Section H defines the expectations for qualifying Suppliers based on CoreTrust's and Lead Agency's requirements to market the resulting Master Agreement nationally to potential Participating Agencies. All transactions, purchase orders, invoices, and payments shall occur directly between Supplier and each Participating Agency, individually, and neither CoreTrust nor Lead Agency, including their respective agents, directors, employees, or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., of or incurred by any other Participating Agency. Supplier is responsible for knowing the tax laws in each state. These requirements are incorporated into and are considered an integral part of this solicitation and are hereby incorporated into the Administration Agreement and Master Agreement. CoreTrust reserves the right to determine whether to make the Master Agreement awarded by Lead Agency available to any Participating Agency, in its sole and absolute discretion, and any party submitting a response to this solicitation acknowledges that any award by Lead Agency does not obligate CoreTrust to make the Master Agreement available to Participating Agencies.

2. AUTHORIZATION OF CONTRACTORS, SUBCONTRACTORS, DEALERS, RESELLERS, AND DISTRIBUTORS. If Lead Agency or Respondent requires the use of contractors, subcontractors, dealers, resellers, or distributors to sell or service the Products & Services included in their proposal, the proposal should provide a list of or direct the proposal review team to where they can locate a list of the Respondent's dealers, resellers, or subcontractors who shall be authorized to sell through the contract in the event the Respondent receives a contract award. In the event Respondent receives a contract award and, during the term of such Master Agreement, additional or different contractors, subcontractors, dealers, resellers, or distributors are required by Lead Agency, Participating Agency, and/or Respondent (as applicable), the use of such additional or different contractors, subcontractors, dealers, resellers, or distributors shall be subject to the other party's consent (which approval shall not be unreasonably withheld, conditioned, or delayed) as evidenced in a writing signed by an authorized representative of each of Respondent and Lead Agency.

3. AWARD BASIS. The award of any Master Agreement resulting from this solicitation made by Lead Agency shall be the basis through which CoreTrust makes available the Master Agreement on a national level through the CoreTrust national cooperative contract program. If multiple Respondents are awarded by Lead Agency under the Master Agreement, those same Respondents shall be required to extend the Master Agreement to Participating Agencies through CoreTrust. Utilization of the Master Agreement by Participating Agencies shall be at the discretion of the individual Participating Agency. Certain terms of the Master Agreement specifically applicable to Lead Agency (e.g. governing law) are subject to modification for each Participating Agency as Supplier, such Participating Agency, and CoreTrust shall agree without being in conflict with the Master Agreement. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (*i.e.* invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and Supplier (contract sales are reported to CoreTrust).

4. MARKETING, SALES, AND ADMINISTRATIVE SUPPORT. CoreTrust shall provide marketing, sales, and administrative support to Supplier as determined by CoreTrust to market and promote the Products & Services on a national level. Such support and Supplier obligations shall be further detailed in the Administrative Agreement and may include, without limitation, training support, marketing collateral,

website materials, participation in pitches and sales calls, trade shows, advertising, and social media campaigns.

5. ADMINISTRATIVE FEE. Suppliers shall be obligated to remit an Administrative Fee to CoreTrust in consideration of CoreTrust's support of the Program. Such Administrative Fee shall be paid by Supplier in accordance with the terms of the Administration Agreement.

The term “**Public Sector Entity**” includes without limitation state, county, city, special district, and/or local government entities, school districts, private and public educational institutions, political subdivisions, state/regional/territorial agencies, state/regional/territorial governments, and other entities receiving financial support from tax monies and/or public funds;

WHEREAS, CoreTrust makes its Master Agreements available through groups and associations (“**Association Partners**”) that contract with CoreTrust to provide additional benefits to such Association Partners’ members;

WHEREAS, Program Participants, Association Partners, and Association Partners’ members are referred to herein as “**CoreTrust Participants**,”

WHEREAS, Lead Agency issued a best value solicitation (“**solicitation**”) on behalf of CoreTrust Participants and solicited responses from companies (“**Respondent(s)**”) for Higher Education Office Supplies with related products and services, as further described in Supplier’s cost proposal submission (collectively, “**Products & Services**”), and awarded a contract to Supplier; and

WHEREAS, CoreTrust shall make available this Master Agreement to Program Participants for procurement of Supplier’s Products & Services, and Supplier shall provide the same to Program Participants subject to this Master Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

1. PERSONNEL; EQUIPMENT. Supplier shall provide the Products & Services to all Program Participants at the prices set forth in its cost proposal submission delivered in response to the solicitation. Supplier shall engage such subcontractors, personnel, and/or specialized equipment necessary to furnish Products & Services to all Program Participants throughout the Term of this Master Agreement.

2. SUPPLEMENTAL AGREEMENTS. No separate agreement shall apply to the Products & Services ordered under this Master Agreement.

3. PRICING

a. Charges. All amounts to be paid by Program Participants for Products & Services are provided in the cost proposal attached to the solicitation as Section O (“**Cost Proposal**”). Supplier agrees that there are no other rates, fees, charges, or other monetary incentives for Products & Services except those listed in Supplier’s Cost Proposal.

b. Restrictions. All pricing is “Not-To-Exceed,” where Program Participants shall receive pricing that does not exceed the per-unit pricing provided in Respondent’s Cost Proposal. No price increases are permitted within the first ninety (90) days after the Effective Date hereof. Thereafter, Supplier shall notify CoreTrust in writing immediately upon Supplier’s determination of any price increase, and all price increases shall be requested in writing to Lead Agency. Supplier shall deliver to Lead Agency manufacturer documentation or a formal cost justification letter simultaneous with such request. For clarity, price increases must be approved in writing by Lead Agency’s authorized representative in order to take effect, and no payment for additional materials or services beyond the amount

stipulated in the Cost Proposal shall be paid without such prior approval. Supplier shall maintain all current pricing on file with CoreTrust, and shall provide to CoreTrust all price changes using the same format as was accepted in the original awarded contract.

4. TERM; TERMINATION

a. Term. This Master Agreement commences as of the effective date ("**Effective Date**") identified in the Master Agreement Acceptance Form attached to the solicitation as Section J ("**Master Agreement Acceptance Form**") and continues for the later of: (i) three (3) years; and (ii) the expiration date identified in the Master Agreement Acceptance Form ("**Termination Date**") unless extended, terminated, or canceled as set forth herein ("**Initial Term**"). Thereafter, Lead Agency may opt to renew his Master Agreement for two (2) additional one (1) year period(s) (each, a "**Renewal Term**") unless this Master Agreement is earlier terminated as set forth herein. By the Parties' mutual written consent, the Term of this Master Agreement may be extended beyond the Initial and Renewal Term(s) ("**Extended Term**"). The Initial Term together with all Renewal Terms and Extended Terms exercised are hereinafter collectively referred to as the "**Term**."

b. Termination. Each Party may terminate this Master Agreement: (i) at any time upon mutual written consent of all Parties' respective authorized representatives; (ii) upon ten (10) additional days' written notice in the event another Party breaches a material obligation hereunder, and (if such breach is curable) such Party fails to cure the breach or provide acceptable reassurance to the non-breaching Party(ies) within thirty (30) calendar days of receiving written notice thereof; and/or (iii) upon five (5) business days' written notice: (1) if another Party is adjudged insolvent or bankrupt or makes any assignment for the benefit of creditors; (2) upon the appointment of a receiver, liquidator, or trustee of another Party's property or assets; or (3) upon liquidation, dissolution, or winding up of another Party's business.

c. Effect of Termination. Upon termination of this Master Agreement for any reason, all Confidential Information shall be promptly returned to the Disclosing Party. Supplier shall immediately cease all sales of Products & Services to any Program Participant under and through the terms of this Master Agreement. Following the effective date of termination, Supplier shall not be precluded from selling its products and services to individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect, either directly or through some other contract vehicle. Following the effective date of termination, Lead Agency and CoreTrust shall not be precluded from transitioning individuals, businesses, and entities that were Program Participants when this Master Agreement was in effect to another agreement or supplier.

5. CONFIDENTIALITY. This Section 5 shall apply solely to the extent permitted by applicable law. The non-public nature and details of the business relationship established hereunder, and each Party's ("**Disclosing Party**") non-public business information to which another Party (the "**Receiving Party**") becomes privy during the Term, constitute the Disclosing Party's confidential and proprietary information ("**Confidential Information**"), the disclosure, copying, or distribution of which in breach of this Master Agreement could result in harm to the Disclosing Party. Each Party shall maintain the other Parties' Confidential Information in the strictest confidence and shall not disclose, copy, or distribute the other Parties' Confidential Information, whether orally or in writing, directly or indirectly, in whole or in part, except to those of the Receiving Party's employees, agents, subcontractors, consultants, and suppliers with a need to know the Confidential Information who are bound: (a) in writing to these confidentiality obligations; and/or (b) by a professional duty of confidentiality. The foregoing shall not limit a Receiving Party, for purposes of marketing, from informing actual or potential CoreTrust Participants of the existence of a general contractual relationship between the Parties. The confidentiality obligations set forth in this Section shall continue in effect for the Term and thereafter for so long as permitted under applicable law. For clarity, "Confidential Information" shall not include information: (i) which is or becomes generally available to the public other than through the fault of the Receiving Party or a third party acting on the Receiving Party's behalf; (ii) which was available on a non-confidential basis prior to its disclosure by the Disclosing Party; and/or (iii) which becomes available to a Receiving Party on a non-confidential basis from a source other than the Disclosing Party or its representatives (provided, such source is not known by the Receiving Party to be subject to any prohibition against transmitting the information). Notwithstanding anything to the contrary herein, if a Receiving Party is required by applicable law, legal process, and/or court of competent jurisdiction to disclose the Disclosing Party's Confidential Information, the Receiving Party shall: (1) promptly notify the Disclosing Party in writing (to the extent legally permitted) so that the Disclosing Party may seek a protective order or other appropriate remedy; (2) furnish only that portion of the Confidential Information which is legally required; and (3) reasonably cooperate with the Disclosing Party's defense against such compelled disclosure (if any), at the Disclosing Party's expense and written request.

6. INDEMNIFICATION. Supplier shall hold the CoreTrust harmless from, and indemnify CoreTrust against, any and all claims, demands, and actions based upon or arising out of any activities the Supplier and its employees and agents may perform under this Master Agreement and any related contracts or orders thereunder. Supplier shall defend any and all actions brought against CoreTrust based upon any such claims or demands.

7. INSURANCE. During the Term and for two (2) years following expiration or termination of this Master Agreement, Supplier at its own expense shall maintain, and shall require its agents, subcontractors, and suppliers engaged in Supplier's performance of its duties hereunder to maintain, general liability insurance, property insurance, and automobile insurance (at a minimum, in the amount of \$1,000,000 per occurrence/\$5,000,000 annual aggregate) applicable to any claims, liabilities, damages, costs, and expenses arising out of its performance under this Master Agreement and with respect to, or arising out of, Supplier's provision of Products & Services to Program Participants. Lead Agency, CoreTrust, and their respective officers, directors, employees, and agents shall be named as certificate holders on Supplier's related insurance policies. All such insurance policies shall incorporate a provision requiring written notice to Lead Agency and CoreTrust at least thirty (30) days prior to the cancellation, non-renewal, and/or material modification of any such policies. Supplier shall submit to CoreTrust within ten (10) calendar days after the Effective Date, and prior to furnishing Products & Services to any Program Participants, valid certificates evidencing the effectiveness of the foregoing insurance policies. Supplier shall provide such valid certificates on an annual basis until the terms of this Section are no longer applicable.

8. AUDIT. Lead Agency, whether directly or through an independent auditor or accounting firm, may perform audits of Supplier materials, including inspection of books, records, and computer data relevant to Supplier's provision of Products & Services to Program Participants pursuant to this Master Agreement, to ensure that pricing, inventory, quality, process, and business controls are maintained; provided, such inspections and audits shall be conducted upon reasonable notice to Supplier and in a manner not unreasonably interfering with Supplier's ordinary business operations.

9. MISCELLANEOUS

a. Submission Review. Lead Agency shall review proposed Respondent contract documents. Respondent's contract document shall not become part of Lead Agency's and CoreTrust's contract with Respondent unless and until an authorized representative of each of Lead Agency and CoreTrust reviews and approves it in writing.

b. General. This Master Agreement, together with all solicitation components of the solicitation, the components of Supplier's proposal, attachments, appendices, and exhibits hereto, constitutes the Parties' entire agreement with respect to the subject matter hereof and supersedes all prior oral or written representations and agreements with regard to the same. Supplier's complete and final solicitation response is hereby incorporated into and made part of this Master Agreement. No release, discharge, abandonment, waiver, alteration, or modification of any provision of this Master Agreement shall be binding upon any Party unless set forth in a writing signed by authorized representatives of the Parties. This Master Agreement should be construed without regard to any rule requiring interpretation against the drafting Party. Waiver by any Party(ies) of or the failure of any Party(ies) hereto to enforce at any time its rights with regard to any breach or failure to comply with any provision of this Master Agreement by the other Party(ies) may not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other future breach of or failure to comply with the same provision or any other provision of this Master Agreement. If any provision hereof is found by a court of competent jurisdiction to be invalid or unenforceable, it shall be enforced to the extent permissible and the remainder of this Master Agreement shall remain in full force and effect. This Master Agreement may be executed in one or more counterparts, each of which shall be deemed an original. For purposes of this Master Agreement, a facsimile, scanned, or electronic signature shall be deemed an original signature. In the event of conflict between terms in this Master Agreement and the terms of the solicitation or any section or attachment thereto, the following order of precedence applies: (i) the terms in the body of this Master Agreement; (ii) specifications and scope of work, as awarded; (iii) attachments and exhibits to the Master Agreement; (iv) the solicitation and all attachments thereto; and (v) Respondent's proposal and all attachments thereto.

c. Force Majeure. The Parties' obligations hereunder shall be temporarily suspended during any period a Party is unable to carry out its obligations under this Master Agreement by reason of a Force Majeure Event. For purposes of this Master Agreement, a "**Force Majeure Event**" means an occurrence negatively affecting a Party's performance hereunder and which is beyond such Party's reasonable control, including an act of God or public enemy, act of terrorism, pandemic or epidemic, fire, flood, civil commotion, or closing of the public highways. No Party shall have any responsibility to the other Party for a delay in performance nor failure to perform to the extent this Master Agreement is so temporarily suspended; provided: (i) nothing contained herein shall apply to payment obligations

with respect to obligations which have already been performed under this Master Agreement; and (ii) the affected Party: (1) promptly notifies the other Party of such Force Majeure Event and the reasonably expected duration thereof; (2) exercises commercially reasonable efforts to promptly remedy, remove, or mitigate the effects of such Force Majeure Event to the extent reasonably possible; and (3) promptly resumes performance of any suspended obligation upon cessation of such Force Majeure Event.

d. Assignment. This Master Agreement and the rights and obligations hereunder are not assignable by any Party hereto without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed; provided, Supplier may assign its respective rights and obligations under this Master Agreement without the consent of the other Parties in the event Supplier undergoes a corporate reorganization, consolidation, merger, sale, or transfer of all or substantially all of its assets to another entity. Subject to the preceding sentence, this Master Agreement shall be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns. Any instrument purporting to make an assignment in violation of this Section shall be null and void. This Master Agreement may be extended to additional entities affiliated with the Parties upon the mutual written agreement of the Parties' authorized representatives; provided, no such extension shall relieve the extending Party of its rights and obligations under this Master Agreement.

e. Relationship. Nothing contained in this Master Agreement creates any agency, partnership, or other joint enterprise between the Parties. The Parties shall at all times be independent contractors. No Party has authority to contract for or bind another Party in any manner whatsoever except as expressly permitted under this Master Agreement. This Master Agreement is made solely for the benefit of the Parties, and no third party shall acquire or have any right under or by virtue of this Master Agreement.

f. Governing Law. This Master Agreement shall be governed by and construed in accordance with the laws of the State of NEW YORK and the United States of America, without regard to their respective conflict of laws principles. THE PARTIES EACH EXPRESSLY SUBMIT AND CONSENT TO THE JURISDICTION OF ANY COURT HAVING JURISDICTION OVER ORANGE COUNTY, STATE WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF, OR RELATING TO, THIS MASTER AGREEMENT. EACH PARTY EXPRESSLY WAIVES ANY OBJECTION THAT IT MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE, OR *FORUM NON CONVENIENS*. In the event any Party initiates a suit and that suit is adjudicated by a court of competent jurisdiction, the prevailing Party shall be entitled to pursue recovery of reasonable attorneys' fees and costs from the non-prevailing Party, in addition to any other relief to which such court determines the prevailing Party is entitled or awarded.

g. Survival. In addition to those provisions which by their nature survive the expiration or termination of this Master Agreement, Sections 2 and 4 through 9 shall so survive.

h. Notice. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder must be in writing and shall be deemed effective: (i) when delivered personally to the recipient; (ii) the next business day following deposit with a nationally recognized overnight courier service; and/or (iii) three (3) days following deposit with the U.S. Postal Service if by certified or registered mail, return receipt requested and postage prepaid. The Parties agree that the day-to-day business communications may be made via electronic communication. (ii) Sales Commitment. Supplier shall market the Cooperative Program in the public sector as more thoroughly described in this Admin Agreement and the Plan.
