

NRF FOUNDATION[®] EXECUTIVE MENTOR EXPERIENCE

A unique, small group networking experience connecting you to the next generation of retail. You'll share insights and answer questions – and our college students will receive invaluable career advice.

Join us at the Marriott Marquis in Times Square in NYC on Saturday, Jan. 9, 2027. Inside the Broadway Ballroom, more than 1,400 retail students seated at 100 tables will be waiting for you. You and your fellow mentors enter the room – and the NRF Foundation Executive Mentor Experience begins.

There are six rounds, each lasting 15 minutes. At the end of each round, you rotate to a new table to lead a new conversation with a new group of students.

// Reflecting on my experience as a mentor at the NRF executive mentorship event, I can confidently say it was both rewarding and invigorating. I was excited by the fresh energy and ideas that emerged from each table conversation. It was a wonderful opportunity to share insights, provide guidance and witness the enthusiasm of the next generation of leaders in the retail industry. //
