

## Our Commitment

Infinite Campus cares deeply about accessibility and strives to provide an inclusive experience for all users, including individuals with disabilities. We are actively working toward compliance with recognized accessibility standards such as WCAG and Section 508.

## Actions

We have taken steps to make our products easier to use for everyone, including improvements that help remove barriers for individuals with disabilities.

## Ongoing Effort

Accessibility is an ongoing priority. We are continuing to enhance accessibility and the overall user experience as part of our commitment to inclusivity.

## Feedback

We welcome feedback from users regarding the accessibility of our products. If you encounter any accessibility barriers or have suggestions for improvement, please contact us.
