1:05-1:10 | Why Consolidate?

- Current district LMS landscape and common challenges
  - LMS cost
  - Percentage of districts who already have Campus Learning
  - Dependencies on API's and integration
- Value of a native LMS
  - Improved data reporting and analytics to support additional outcomes
  - Limiting the number of systems you use limits the number of vulnerabilities
  - Simplifying the experience for your stakeholders: teachers, parents, students

1:10-1:45 | Campus Learning as a Solution

- Campus Learning growth as a system
  - Why new development is worth a second look
    - Quiz improvement
    - Discussion posts
    - Curriculum sharing
    - Groups and Section Feeds
- LMS built into your Student Information System
- District outcomes and success highlights

1:45-2:00 | Break

2:00-2:20 | Implementation Approach #1: Self-Paced District-Led Adoption

Laura Dedic - Model Laboratory Schools, KY
Laura Dedic from Model Laboratory Schools, KY, will share her experience with implementing Infinite Campus as a full LMS. Laura will share what has gone well in making the switch, lessons learned, and general best practices after having made Infinite Campus the district's full LMS.

2:20-2:40 | Implementation Approach #2: The Infinite Campus Pilot

Matt Fore - Glenpool Public Schools, OK
Matt Fore from Glenpool Public Schools, OK, will discuss his experience working with Infinite Campus consulting during a pilot of the Campus Learning Adoption Program. He'll discuss lessons learned, the value of the LMS, and the partnership with Infinite Campus.

2:40-3:00 | Implementation Approach #3: Campus Learning Adoption Program

- Campus Learning Adoption Program walkthrough
- Value of having a partner in your success utilizing Campus Learning to meet district goals
- Timelines to adoption and milestones
- Creation of teacher Campus Learning champions
- District success stories

3:00-3:20 | Q&A

Open discussion and attendee questions

3:20-3:30 | Wrap Up

- Key takeaways
  - Campus Learning can be used as a tool to support educational outcomes
  - We have existing resources in Campus Passport and Knowledge Base that can be used to learn about Campus Learning
  - We have a program focused on providing consulting on the implementation of Campus Learning
